"Train up a child in the way he should go, and when he is old he will not depart from it." Proverbs 22:6

Director's Note

The blessings of spring bring us joy and the halls of RCS are filled with excitement of warmer weather and brighter colors. With spring we think of newness of life in the birds outside, the budding flowers and trees and in the changing growth of our children which we at RCS try to address in areas of academics, physical growth, and in growth with Jesus spiritually. We enjoy each one of our children at RCS and it honestly is exciting to see how they grow in so many ways! We start April coming back from from Easter celebration. We tell the children that a "Christian", one of the words which names our school, Redeemer Christian School, means someone who loves God and asks God to live in his or her heart forever. Easter is so important and it is truly important for our preschoolers to know of God's love for us and that He gave His only son to everyone!

We look forward to "RCS Day" on Sunday, April 22nd when we can meet together at Redeemer Lutheran Church's 10:15 church service and sing some of our songs that we like in our Music sessions. Please come with your child if you are able to do so. Sunday School is available after we sing if your child wishes to join but it is your choice if you want your child to join. It's always uplifting to hear our children sing!

Clifford and "Read Across America" week was a hit at RCS and we thank all our volunteers and parents for sending in books. We were treated to a wonderful demonstration of Irish step dance for St. Patrick's Day with Emily Heinemann and her Wick Hegarty School of Irish Dance which included three of our alumni, Emily's daughter Phoebe, Fiona Baker, and Caitlyn McInnis who all graduated from RCS. We thank Master Lim's Tae Kwon Do for their excellent demonstration to the children last month and we thank Dawn Chiu for sharing her new book, "Eat like an Animal, Act Like an Animal", with all of us.

Thank you parents for attending our Parent Teacher Conferences the third week of April and we thank you all in advance for sending in treats and plastic eggs as well help out for our Easter Egg Hunts.

During the week of April 23rd up to Thursday night on April 26th, please come down to the Roxbury Library to see our awesome display of artwork from 2 ½'s up to our STARS. The theme we picked for this year is "Spring Has Sprung"!

God Bless you all,
