

Green Tree Plastics, LLC, manufactures recycled plastic products using 100% recycled plastics, no hazardous chemicals, non-organic fillers, non-organic color concentrates.

## **ABC PROMISE PARTNERSHIP**

# **Turn your plastic caps into a bench for your school!**

### **WHAT IS A Bench for Caps**

A program designed by children, for children as a teaching tool for lifetime habits of green living.

### **ORIGIN**

ABC was designed for school children by a team of 6 eighth graders in March, 2010, as their entry in a nation-wide academic competition in community problem solving. Topic: recycling.

### **WHAT PROMISES**

Children promise to send caps that have been sorted by them to remove metal and other unacceptable material

Green Tree promises to put their caps into ABC bench

### **PURPOSE**

This "partnership" between children and Green Tree Plastics is specifically to be a tool for teaching about caring for the earth.

### **OWNERSHIP**

The bench is to belong to the children; it is to be placed where they want it to be placed so they can show others the results of their work and the value of recycling.

All caps will be collected, sorted and weighed by the 5<sup>th</sup> Grade class. Students can turn in caps to their teacher and 5<sup>th</sup> grade students will collect them from the classrooms. Caps need to be clean and on the list of approved caps. This collection will be on going. When we have enough caps they will be made into a recycled bench for our school. If you have any questions you may contact Mrs. Quertermous, 5<sup>th</sup> Grade teacher. Thanks in advance for your help!!!
