Greetings to the courageous Central Region's Kansas City (KS) Alumnae Chapter of Delta Sigma Theta Sorority, Inc. and the "Golden Four" ladies of the Miss Jabberwock Scholarship Pageant.

As the National President and CEO of Delta Sigma Theta Sorority, Inc., I am doubly honored to congratulate the Kansas City (KS) Alumnae Chapter on the occasion of their Jabberwock program AND on your 50th chapter anniversary! This year's theme of *Jabberwock 2020 "Golden Edition"* is an excellent way to honor your "Golden Four" and commemorate the chapter's milestone 50 years of sisterhood, scholarship and service.

For the past 107 years, our beloved sisterhood has built a rich heritage of community service, uplift of our youth, appreciation of the arts and the constructive development of its members. I was so impressed to hear about your "2020 Vision Board" kickoff event" that focuses our young women on the value of visioning and working towards their dreams. The various seminars you've had and workshops on topics like Financial Aide and Self-Esteem will carry these participants far in today's environment. And, it is a pleasure to know that our Kansas City sorors have made certain you've been engaged community service projects for those in need...one of the hallmarks of our sisterhood.

To the outstanding ladies who participated in the *Jabberwock 2020 "Golden Edition"* pageant, I extend my most sincere congratulations. The educational, cultural, social and service experiences afforded you are a once in a lifetime opportunity. My prayer for you is that you always remember how special each of you are with talents that God has given only to you. May you be blessed with bright futures and may all your dreams and wishes come true!!

Congratulations again sorors on the momentous occasion of your 50th *chapter anniversary* and much love and many blessings for a successful event.

Dear Sorors, Guests and Friends,

It is our honor to bring greetings on behalf of the Great States of the Charismatic and Courageous Central Region of Delta Sigma Theta Sorority, Inc. What a pleasure to welcome you to the Kansas City (KS) Alumnae Chapter's 2020 Miss Jabberwock Scholarship Pageant. The theme this year highlights the chapter's 50 years of scholarship and service and exclusivity of our historical Jabberwock Scholarship program. – **"Golden Edition."**

Honoring the timeless classic, "Alice in Wonderland," Lewis Carol created the memorable character "Jabberwock" who summoned all the creates to perform a gala event. As we carry on that legacy and conceptualize its intent, the annual Miss Jabberwock Scholarship Pageant is a signature program whose mission is to strengthen the community and construct programs that improve the quality of life for all residing in the Kansas City Metropolitan Area. The program ensures our young girls have an opportunity to pursue higher education through resources and scholarships that assist in combating the adversities our young people face when pursuing higher education.

As you enjoy an evening of elegance and entertainment, the presentation will showcase the gifts and talents of the young women participating in the program while advancing the goals and objectives of Delta's scholarship program. It is important to understand that the women of Delta Sigma Theta Sorority, Inc. have a vested interest in the accomplishments of our young girl's growth, development, and continuous success in all their future endeavors.

To the parents, guardians, and families of our Jabberwock contestants and their escorts, thank you for your participation. Without your financial and spiritual support, our young people would not be able to realize the strength they have to endure life's obstacles.

In closing, we would like to congratulate the members of the Kansas City (KS) Alumnae Chapter, under the leadership of Jill M. Hall, Chapter President. A huge thank you to Jabberwock Co-Chairs, Durriyyah Anderson, and Demetria Spencer and their committee members for their hard work and dedication in preparing the participants for this momentous occasion. Thank you for continuing to be the model of success in the Kansas City metropolitan community and being an example to our region.

Have a wonderful evening.

 Jacqueline A. Dillard,
 Central Regional Director

President's Message

Greetings and welcome to the grand finale of Jabberwock 2020, **"Golden Edition"**.

On behalf of the membership of the Kansas City (KS) Alumnae Chapter (KCKAC) of Delta Sigma Theta Sorority, Inc., thank you for sharing your evening with us. We are proud to present these four incredible young ladies of Jabberwock 2020 and very excited to share some of their many talents and accomplishments with you. For more than six months, these young ladies, each already phenomenal in her own right, have traveled on this journey with us.

For fifty years, KCKAC has sponsored the Jabberwock scholarship pageant and assisted young ladies in high school to successfully pursue their dreams of attending the college or university of choice. To many, this may have been an unattainable wish, but because of you, it has become a reality!

Special thanks to the numerous Jabberwock committee members lead by Amber Adams, Durriyyah Anderson and Demetria Spencer. From fundraising; career planning to community service; etiquette workshop to gown fittings and photo shoots; and the keepsake souvenir journal, committees have worked tirelessly to make this program an experience to remember.

Finally, a program of this magnitude with so many moving parts, could not have been accomplished without the collective work of the participants, parents, guardians, other family members and friends. We are also very grateful to the many individuals and community businesses.

In closing, we thank God for His continued blessings and guidance as the Kansas City (KS) Alumnae Chapter of Delta Sigma Theta Sorority, Inc. strives toward embracing our youth and making our community a better place.

Jill M. Hall
Chapter President

Message from Co-Chairs

The time has finally arrived, tonight is the night we celebrate you, "The Golden Four." Words cannot express how extremely proud we are of each of you extraordinary young ladies. We appreciate the hard work and dedication you have given to this program. Balancing school, work, extra curricular activities, family and a six month scholarship program is not a simple task, but you did it with ease! Great job ladies!

As you transition from high school to college you will continue to learn, grow, face challenges overcome obstacles and celebrate successes. From what we have had the pleasure of witnessing in each of you, we are certain you will be ready for all that lies ahead.

Synaj, always continue to show the world your determination and ability to overcome the challenges that life presents.

Jayla, continue to be a sweet spirit that brings a positive energy when you enter a room.

Mariah, always continue to be the "Go Getter" willing to fight hard to achieve your goals.

Monet, always continue to be an inspiration to those around you by exemplifying self love and confidence.

You will soon embark on an amazing journey. As you are on that journey always remember to keep God first, "Own your Magic...Rock your Truth", and know that the Kansas City (KS) Alumnae Chapter of Delta Sigma Theta Sorority, Inc. will be rooting for you all the while.

We would like to thank our Village (Committee Members, Parents, and the KCK Alumnae Chapter of Delta Sigma Theta Sorority Inc.) for supporting our ladies, the "Golden Four." Without you this very special night would not have been possible.

Jabberwock's Origin and Legacy

The word “Jabberwock,” was coined by Lewis Carroll, author of the famous children’s classic, **Alice’s Adventures in Wonderland (1865)**. The sequel to this book is a mock-heroic tale called, **“Through the Looking-Glass” (1872)** which contains **“Jabberwocky,”** a ballad of fantastic illogicality. Curious about the world behind the mirror, Alice climbs through the looking-glass and discovers a fascinating kingdom in which everything is reversed, just as reflections are reversed in a mirror. Jabberwocky, then connotes the whimsical, the absurd, the non-sensual and fantastic.

The **Jabberwock**, a traditional Delta Sigma Theta Sorority, Inc. scholarship fundraising endeavor, has been staged annually by hundreds of Delta chapters in communities throughout the United States for over eighty (80) years and for over 35 years in the Kansas City, Kansas area.

In 1925 Delta Sorors Marian Conover Hope and Lola Wilson Hayes conceived the **Jabberwock** as a means of generating funds for scholarships, and the first ever **Jabberwock** was presented that year in Boston, MA. The first ones, held in auditoriums, were theme-centered talent/variety shows with scholarship awards. Since that time, **Jabberwock** has become synonymous with Delta Sigma Theta Sorority, Inc. In 1971 the Kansas City Kansas Alumnae Chapter of Delta Sigma Theta Sorority, Inc. held its last **Jabberwock** program of the theme-centered talent/variety show. Presently, **Jabberwock** represents a six month scholarship program concluded with an evening of elegance and entertainment showcasing the gifts and talents of the selected participants.

In our chapter, the Contestants Committee continues to be the backbone of the “Jabberwock Experience.” Each year members of Delta Sigma theta Sorority, Inc. spearhead educational, social, and public service activities to help broaden young ladies’ horizons as we assist in preparing them for their next step in life. Over the years Jabberwock has changed its look; however, it has never changed its purpose.

Own Our Magic... Rock Our Truth

Miss Synaj,

There are no limits or no boundaries.
So, persevere as though there are no
limits: push the limits as if there are
no boundaries. Be who you are and
work hard to be who you want to
become.

Take the advice of the Legendary Kobe Bryant #8/#24

“Have a God time. Life is too short to
get bogged down and be discouraged.

You have to keep moving. You have
to keep going. Put one foot in front of
the other, smile and just keep on rolling.”

Wishing you all the best and God Bless in
all that you do as you journey through your
many successes!

~Mrs. Vanessa

Reach for the stars

Follow your own path

Set your own goals

Don't worry about the darkness,
for that is when stars shine the brightest!
Keep God first and remember that His light
dwells within you.

With this, you will continue to be unstoppable
Synaj!

With Love, Dr. Khiara Drew

School: Shawnee Mission Northwest High School

Activities: Cheer, Volleyball and Basketball

Honors: Cheer Captain & DMB Dance Scholarship

She did it all while being a single parent and I really love, respect, and appreciate her for that.

What Sisterhood means to me: A Sisterhood to me, is a friendship between girls made from many common interest and goals. Which definitely has happened between the four of us.

Congratulations Jayla Brown,
