MOTION HOGENSON, SECOND HURD: 01 — Approval of the agenda. Yea: Walsh, Goutermont, Hogenson, Hurd, Sve. Nay: None. Absent: None

Board Chairperson Sve requested a COVID-19 update from LCHHS Department Director Lisa Hanson. Ms. Hanson discussed the current situation with COVID-19 case counts and the trajectory that is happening with the pandemic, particularly the exponential growth happening in Lake County, Minnesota. Ms. Hanson read a message from Greg Ruberg, President and Chief Executive Officer (CEO) of Lake View Hospital, regarding COVID-19 and the holiday season. We must do the right things now to minimize the impact of the virus on our county and state. The upcoming Thanksgiving holiday is of great concern to health care leaders, physicians and other providers, nurses, hospital staff, and infectious disease experts across the state and country. Please continue following the recommendations being shared by the Minnesota Department of Health (MDH), the Centers for Disease Control (CDC), governor, local public health, and health care organizations. A large increase in COVID-19 cases in the days and weeks following the holiday

could have devastating consequences to our communities, health care organizations, congregated care facilities, and our loved ones. We simply may not be able to care for everyone who needs care across the region and state. Ms. Hanson shared Mr. Ruberg's message and asked that we all do our part to help prevent the spread of COVID-19 and help prevent overwhelming our health care systems. Commissioner Sve discussed a new mobile app called "COVIDaware MN", endorsed by the Association of Minnesota Counties (AMC), MDH, and the Governor. People may download the free COVIDaware MN app to get notified if they have been near someone who tests positive for COVID-19. Ms. Hanson advised that the app is an "Opt-In" tool intended to help slow the spread of COVID-19. Learn more at <https://covidawaremn.com/faq.shtml>
