Trying to keep on top of technology is difficult. If you need help using a device, platform, or program and an online tech tutorial does not suit, we are willing to assist!

Tech Help sessions are 30 minutes long. Beginners are encouraged to attend and you are welcome to bring your own device. Library staff works with you one-on-one (or in a small group) in the library. Reservations are required.

\*Registration required. Call 715-426-3484 for more information.  
 ALL EVENTS TAKE PLACE IN LIBRARY MAIN LEVEL UNLESS NOTED.
