

Friends,

Within a short period of time in 2011, four friends and acquaintances from the tri-county area were all diagnosed with breast cancer. A great couple of friends, Cathy Cassell and Beth Penn Dulin decided they wanted to do something to help fight the cause, so they formed "**TEAM WONDER WOMEN**" to walk and raise money for *Strides Against Breast Cancer*, a event put on in Ocean City, Maryland by the American Cancer Society. We were so excited to reach our goals and become the top fundraisers for this event. We wanted to do more.

Since then we have kept up with our efforts to continue to raise money for this worthy cause.

2012

- Our walk, dance with mike Hines and silent auction raised over \$60,000.00

2013

- We featured SAVING *SECOND BASE ... SHORE STYLE*, a country concert with ERIC KARGE, CHUCK WICKS, and DAVID NAIL AND BILLY CURRINGTON. With a live auction and tons of fun raising over \$80,000.00.
- We Shaved heads and painted them pink for benefit Sponsored by Preston automotive group, *PAINT THE PLEX PINK*, an event for awareness.
- Survivor Cheryl Hughes was honored at Talbot county event, *COLORS OF CANCER* for her time sharing the story of her cancer journey at different events on breast cancer; *The Talbot County Relay for Life*, the *Hyatt Regency annual fund raiser* and the ZETA TAU ALPHA SORORITY OF SALISBURY UNIVERSITY'S *Mr. Zeta* to promote breast cancer awareness month. And TEAM WONDER WOMEN'S help in fundraising!
- We have been honored to accept donations for the cause from many ,with a special thanks the CHESAPEAKE COWBOYS and our Honorary sponsor for 2014, PRESTON AUTOMOTIVE GROUP.

Days after our most memorable event so far, "our country concert"- our dear friend and co-founder, BETH PENN DULIN lost her battle to LEUKEMIA, with heavy hearts we dedicated our ocean city walk to her and strength and courage.

This year's event:
