

## Obligation 6 :

Guard the Environment and all its life forms.

Every Custodian Guardian has the obligation to guard the environment and all its life forms. It is part of Humankind's Destiny. Being Custodian of the Physical Universe and **1 God's** creations therein.

Products from the concept stage are to be healthy, safe, non polluting biodegradable and or otherwise recyclable. Everything produced is biodegradable and or otherwise recyclable. Producing, manufacturing unhealthy, unsafe, polluting goods is a crime, **MS R7**

### Monster seeds

Genetic modified (**engineered**) Crops are based on seeds altered by humans of **1 God's** original design, for the purpose of profiteering, greed and insulting **1 God**. **1 God** doesn't want genetic reengineering. Humans are to copy Evolution (**trial, error**) that is to alter and mutate.

The food creatures eat influences their digestion. To digest modified plants a creatures digestive system modifies (**genetic reengineer**) itself via Evolution. This unnatural (**Anti 1 God**) type Evolution creates unnatural new types of mutations (**freaks, monster**).

Genetic Modification (**GM**) is Anti **1 God**, a threat to humankind, all other creatures and the environment. GM Crop because of the flow on effect alters the whole food chain. Creating mutations that create new diseases and life threatening 'Global Plagues' in all members of a food chain! People will become more sick, die younger, more sick babies, more miscarriages, more animal, pet attacks...

**GM Food (unhealthy food):** Alfalfa, Baby-food, Bacon, Breakfast-Cereal, Bread, Canola, Chicory, Corn, Cotton seed oil, Eggs, Ham, Margarine, Meat, Papaya, Peas, Potato, Poultry, Sausages, Soybean, Sugar-beet, Sugar cane, Sweet Peppers, Tomatoes, Wheat, Zucchini,...

### Must do :

Government eliminates threat by scorching GM research and Seed manufacturing facilities. GM Crops are burned. Contaminated Soil were GM

Crops were grown is scorched 3 years running. Government that doesn't implement this 'Treatment' is replaced and held accountable **MS R7** .

Government prosecutes: GM Scientist, Executives, Directors manufacturing Owners, Crop Growers for: "Crime against Humankind and against the Ecosystem". **MS R7**

**Zero Tolerance to GM, GM Crop, GM food, GM drink !**

**Energy Pollution (Climate Change)**

Too much leisure time, too large homes, too large incomes, too many un-needed gadgets, created a spike in ever increasing energy needs. Currently Energy is polluting, has high establishing costs, high running and maintenance costs. Polluting Energy relies on burning, Coal, Gas, Oil and Uranium. **All this burning Ends !!!**

**🔥 COAL IS CHOKING US 🔥 Clean Coal is a FRAUD! 🔥**

Fossil fuel **Coal** produces  
**Dirty Energy**

Burning coal produces great amounts of air polluting Carbon dioxide and smoke. Carbon dioxide drifts up. 50% is washed down by rain the rest accumulates in the atmosphere. The Carbon dioxide lets through sunlight to heat the Earth but prevents some of the heat from being radiated back into space. **Result: warming air, soil, water. Global warming.**

The result is that Earth's surface is slowly heating up. This heating up of surface temperature has increased dramatically since year '0'\* (2004). This warming is decreasing the size of glaciers and polar ice caps (see scroll 6 Prophecy). Resulting in warming and rising sea levels, climate change. **Climate change: longer drier droughts, more severe lightning, heavier rains, stronger faster winds, unpredictable fast changing weather.**

\*C.G. New Age time management

A reduction in coal burning to '0' (zero) is needed now.

However people responsible for burning coal are corrupt, dishonest, selfish and cannot be relied on to stop burning coal. Therefore the source (coal) for burning must be denied the polluters.

**Stop** the lorries, close the Mines:  
**SURVIVE !!!**

**Coal mines are Shut.** Coal burning equipment is dismantled. Coal miners, coal transporters, coal burners are accountable, **MS R7**

Coal as energy provider is not just replaced by another energy provider. But energy usage per person is to be reduced by enforced Night curfew. Night curfew reduces energy usage, road kill, crime... Increases mating.

Domestic, non domestic burning of dung, wood, coal, gas, oil for cooking, heating, power, Ends! Power stations that burn (coal, gas, oil, uranium,..) to create energy are Shut down, dismantled. Polluting owners and operators are prosecuted, **MS R7**. Coal and Uranium mines are closed and sealed. Mining Owners and operators are prosecuted, **MS R7**

**Non breathable Air. You have 4 minutes to live!**

**Energy is produced by non burning.** Burning to move domestic, non domestic transport Ends! Gas, Oil have non burning use. Domestic, non domestic transport on Freeways is replaced with 'Freeway Trams' (see Shire planning)! Long distance overland transport is by Rail only. Individual polluting transport is phased out. Cancel new Freeway. Sprawling suburbs are replaced with cluster housing.

## Fracking

Fracking is a great threat to the environment, community, humans,... Fracking is the process of drilling and injecting fluid at high pressure into shale rock fracturing it releasing gases. High pressure triggers Earthquakes. If this happens along fault lines it can trigger a big **one**.

Each process needs millions of liter of water. The Water has toxic chemicals and sand added. During the process methane gas and toxic chemicals pollute nearby ground water. Drinking this water is unhealthy for humans and animals. Vegetation is also badly affected. Unfit to be eaten by humans or animals.

The waste fluid is left in above ground puddles to evaporate. Releasing volatile organic compounds into the atmosphere, contaminating air, creating ground level ozone and acid rain. Result is unhealthy livestock and

shriveling inedible pasture, crops, fruit... Residents complain of fatigue, nausea, headaches and worse. Gases may also result in 'Wildfire's.

The use of explosives triggers an Earthquake. The use near fault lines can trigger a major Earthquake any were along the fault line (**sometimes far away**). These explosions also damage underground water reservoirs. They also release gases that make humans, animals and vegetation sick. These gases can be the cause of Wildfire(s) and atmospheric pollution!

**Fracking Ends!** Owners, operators are prosecuted, **MS R7**. Government allowing Fracking is replaced, held accountable, **MS R7**.

**Soon** demand for fresh water will exceed availability of fresh water. Polluted waterway's (**creek, stream, river, pond, lake..**) create a shortage of fresh water. Storm water filled with toxin, poisons, pharmaceuticals,.. Illegal dumping of industrial waste, toxin, poisons,.. Polluting of waterways ends, polluters get: individuals **MS R3** all others, **MS R7**.

**No liquid intake. You have 4 days to live !**

**Polluting Entertainment** ends. In the Air: Air shows, private owned : plane, jet, helicopter, drone, space shuttle... In, under the water: motorized boat racing, other : cabin cruiser, cruise ships, jet skis, speed boats, yachts,hovercraft... On the land: all 2,3, 4 wheel motorized, cycles, bikes, buggies, SUV, sport cars, limousines, Car racing, car stunts, luxury cars...

The creation of Garbage is reduced!  
Making Disposable products\* Ends!  
Printed Junk mail\* Ends!

The making of unnecessary Junk (collectibles, gadgets, designer gear, 4 season fashion...)\* Ends! Biodegradable or reusable packaging is used.  
\*These providers are prosecuted, **MS R7**

## Pests

Outside Insecticides (**chemicals**) are used on crops, orchards... Crops, orchards and food that have been contaminated are unfit for human or animal consumption. They are burned by the community (**Shire**). Burning for health reasons is the only reason for burning.

Insecticides (**chemicals**) seep into ecosystem ending up in Seas, Oceans. Polluting: ground water, drink water reservoirs, Ocean ecosystem, sea-food. Manufacturers of Insecticides (**chemicals, poisonous, toxic**) get: **MS R7**. Government that allow this pollution are replaced, get, **MS R7**. Use natural Insecticides.

Herbicides are as dangerous, polluting soil and waterways. Producers of Herbicides are prosecuted, **MS R7**. Government that allow this pollution are replaced and prosecuted, **MS R7**.

**1 God is waiting to hear from you !**

### Defoliant Prayer

Shame day 6.2.7. NAtm

Dear **1 God**, Creator of the most beautiful Universe  
Your most humble faithful custodian guardian (1<sup>st</sup> name)  
Will protect plant, soil and water from toxin  
Oppose and stop genetic modification of any thing living  
Will ensure Shire scorches poisoned soil  
Will punish Herbicides, GM Crops polluters  
For the Glory of **1 God** and the Good of Humankind

This prayer is used on Defoliant Day ! Or as needed.

**Animal cruelty!** Animal cruelty Ends. Guilty are prosecuted, **MS R4**.

**Battery housing** is demolished! Replaced with 'Free range'. Battery housing operators are prosecuted, **MS R4** for each animal.

**Life Animal transport** further than 30 km ends. Breach by Agent primary producer, transport operator get, **MS R4** for each animal.

**Circus animal Act's End.**  
Animal trainer, Circus operator get, **MS R4** for each act.

**Themepark animal entertainment Ends.** Animal trainer, park operator, get, **MS R4** for each act.

**Zoos** are closed, replaced by Wildlife Sanctuaries which house only local species. Illegal Zoo is closed, operator get, **MS R4** for each animal.

The **greyhound** racing industry is inducing fear and pain in animals by using them as live bait. Rabbits, piglets, possums, kittens, chickens are mauled, ripped apart, flung around and dragged. Live bait is terrified, in agony. It Ends! For each live bait: **MS R4**

**Greyhounds** that are losers are clubbed, poisoned or shot dead and dumped. The Australian greyhound racing industry butchers 17000+ greyhounds a year. It is not known how many live bait are tortured, killed? Everyone in the greyhound racing industry. People betting, watching are guilty by association. A disgrace to any community, Shun them! Promoter, Owners, Bookies: **MS R4** for each animal.

**Thrill killing** (hunts: Safari, Royal, other..) of animals ends. Only Rangers can cull animals. Promoter and Hunters get, **MS R4** for each animal.

**Racing animals Ends.** Racing horses, (steeple, hurdle, cross country, flat..), playing Polo, buggy racing (Trotting, Pacing..), show jumping ends. Racing venue are demolished. Racing animal owner, trainer and racing venue operator get, **MS R4**.

**Mulesing**, cutting of wool bearing skin from tail, breech area of sheep. Results in a lot of pain for the tortured animal. It also may infect. Mulesing, ends. It is prosecuted, **MS R4** for each animal.

**Animal fights** End. Promoter, animal owner, trainer, bookie: **MS R4** for each animal.

Bull fight's end! Bullfight Arena's are demolished. Promoter, Matador and his gang get, **MS R4**. Spectator's shame on them. **Shun, Shame them!**

The inbreeding of unhealthy dogs for fashion fades is cruel. The brachycephalic breeds (Pugs, English, French Bulldogs..) are bred with ever-more flat faces. This has side effects, breathing problems having dogs collapsing during hot weather and heart disease due to poor breathing, that makes dogs suffer their whole life. This type of breeding ends! Breeders, owners, get **MS R4** for each animal.

Brachycephalic breeds: American Stafford shire Terrier, Affenpincher, Bichon Frise, Boston Terrier, Boxer, Brussels Griffon, Bulldog, Bullmastiff, Cane Corso, Cavalier King Charles Spaniel, Chihuahua, Chow Chow, Dogo Argentino, Dogue de Bordeaux, English Mastiff, French Bulldog, Japanese Chin, King Charles Spaniel, Lhasa Apso, Maltese, Neapolitan Mastiff, Newfoundland, Pekingese, Pug, Presa- Canario, Shar-Pei, Shih Tzu, Silky Terrier, Tibetan Spaniel, Yorkshire Terrier.

## Military

Military pollute with transport and explosives, A/N (Atomic/nuclear) B (biological) C (chemical) weapons. They are a threat to human, animal, plant life. Production facilities, stockpiles of these weapons are demolished, recycled by the Shire. Scientists that create these weapons get **MS R7**. Government that allow the production and or storage of these weapons are replaced and get, **MS R7**.

# Guard the Environment! A moral Obligation and Civic Duty !

**1 God is waiting to hear from you !**

**Habitat Prayer**

**Celebration Habitat day 9.1.7. NATm**

Dear **1 God**, Creator of the most beautiful Universe  
Your most humble faithful custodian-guardian (1<sup>st</sup> name)  
Asks for help in protecting the Habitat  
Promises to hold Polluters accountable  
Promises to Harmonize with the Habitat  
Asks polluters be punished now and in the Afterlife  
For the Glory of **1 God** and the Good of Humankind

This prayer is used on Habitat Day ! Or when needed.

**AS it is WRITTEN It Shall BE**

<b>1 GOD</b>	<b>1 FAITH</b>	<b>1 Church</b>
		<b>Universe Custodian Guardians</b>
<b>Law - Giver Manifest</b>
