Dear Friends,

My son Andrew and his wife Christie adopted three beautiful children on April 21st here in Colorado. As I sat in court and listened to the Judge announce that they now have all the rights and privileges of biological born children I immediately thought of this verse. **“God decided in advance to adopt us into His own family by bringing us to Himself through Jesus Christ. This is what He wanted to do, and it gave Him great pleasure.” Ephesians 1:5** God has adopted us once we are born again and we have all the rights and privileges of being children of God.

Marlene and I love these children as we do our other grandchildren and are grateful that God has brought them into our family. What a joy and pleasure to see God bless our family in this way with Malachi (6), Ezra (4), and Sofia (3). They are siblings and are no longer

orphans. Our mission is to proclaim the gospel to people everywhere and see those who believe adopted into God's family.

God has continued to bless our outreaches to the police here in Colorado. Many are hearing the gospel and being discipled. Pray that the officers who are not saved but are hearing the gospel through our outreaches will come to know Christ as Savior and Lord.

We will travel to El Salvador from June 3-10 to do training and evangelism among police. In 2016 El Salvador was known as the murder capital of the world. There are about 70,000 gang members in El Salvador with the MS-13 being the largest and most violent. Many police officers have died and been injured in the line of duty.

We have ministered to the police in this country of 6 million people since 2000. Please pray for our safety as this is a dangerous place to travel to and pray for health and strength for our team as we minister in Santa Ana. This is the second largest city in the country. Pray that there will be no major events that would take the police away from our outreach during the days we are there.

We will be working with a missionary and local church as well as several Christian police officers who will help us with follow up. Jeff Sill, Mark Werts and I will be ministering to the police for 5 days.

Thank you again for your prayer and financial support as we partner together to take the gospel among the nations. God bless you.
