

Admission Info Form Instructions

Dear Parents,

The Admission Info form is a requirement of the state closely monitored by licensing. Please review the tips below in order to ensure your paperwork is completed correctly. Incomplete forms will delay registration for your child.

No Blank Information

Each space must contain data. If something does not apply please write N/A.

Complete Information

Make sure to provide full name, address, zip and phone number where requested.

Emergency Contact

A contact outside of the immediate household must be on file, so please do not list a parent as emergency contact.

Parent Signature

Please do not leave any signature line blank.

Authorization for Release

Your child will be released only to person(s) named on this form other than a parent. TRP must have authorization in writing.

Emergency Medical Care Facility

Name a specific facility that you want your child taken to in the case of an emergency. Write in the address of this facility. Do not indicate "closest" facility. This form will be given to emergency personnel in an emergency situation.

You may choose whichever Emergency Facility you would like to, however, our closest Emergency Facility is:

Baylor Medical Centre
4343 N. Josey Lane
Carrollton
Texas
75010

972 492 1010
