President's Piece

June 2018

June is upon us!

With that being said, the construction season is HOT!

During our May meeting at Buca di Beppo we had an informative presentation from John Flaherty with Engineered Products Chicago. He introduced "BlueLinX Engineered Products. Which is an Advanced Framing Lumber System, essentially an engineered finger-jointed lumber type system.

In attempting to keep the SBOC membership up to date, SBOC will Not be having our monthly meeting in July and our Annual Golf outing is scheduled for August 24, 2018 at the Boughton Ridge Golf Course in Bolingbrook. An information flyer will be provided soon.

We are looking for VOLUNTEERS to be SBOC Board Members!!! The SBOC Board is working at filling the programs for our monthly training meetings. Should any of you have any thoughts for a monthly training session feel free in contacting any of the Board members. Hopefully, you will have a presenter's contact information and are able to forward this information to the SBOC BOARD. With that being said, we the SBOC Board are looking for some volunteers to become Board members in 2019. Volunteering is a great way for members to have their voice heard, recommend programs and activities. Having new people provides fresh new ideas. Over the years. This is YOUR opportunity to Make a Difference and be heard. So, why not contact me or any other Board member. I've enjoyed myself greatly being a Board member. Believe me it's FUN and GRATIFYING! The SBOC Board looks forward in hearing from you!

The June Monthly Program will be presented by Jason O'Neil Sales Consultant with Anchor Industries Inc. Jason's presentation will focus on various styles of tents, engineering vs. certification of the tents and proper installation of tents including a review of ballasting.
