

***Kendale Lakes Elementary Parent and Teachers Association, Inc.***  
8000 SW 142 Avenue  
Miami, FL 33183

August 23, 2016

The Kendale Lakes Elementary Parent and Teachers' Association supports Aster Bato Mohamed for the Miami-Dade County School Board, District 7. She is a former president of the KLE PAT and a retired Kendale Lakes Elementary teacher who has held leadership roles at our school, the district and in the community for over 30 years.

During her term as the PAT president, her efforts supported activities recognizing student achievement, showing teacher appreciation and promoting school community.

She has lived in Kendale Lakes since 1976 and has worked with our county commissioner for family movie nights for the families in Kendale Lakes. She organized a petition drive against the Miccosukee Golf & Country Club from becoming a Tribal Trust Land in the middle of the established Kendale Lakes neighborhood.

She has dedicated her life to teaching students and their families how to succeed in school. We know she will do the same as the District 7 School Board member. She is the experienced leader our community needs in the Miami-Dade County School Board.

Sincerely,

Kendale Lakes Elementary Parent and Teacher Association
