Monthly HOA Meeting

1st Wednesday of every month at
6pm at the Clubhouse.

Everyone is welcome!

Towing Enforced!

No Street Parking Midnight-6am!

Snowy Mountain Towing 801-685-8300

Chocolate Covered Pretzels

Melt the candy melts in a microwave safe bowl/cup, or use the double boiler on the stove.

Dip the pretzel into the melted chocolate and let the excess drip off.

Cover with sprinkles.

Lay on wax paper to harden.

Just Around the Corner...

Spring is just around the corner and we want to remind the residents that you are more than welcome to beautify the flowerbed area just around your unit. Plant a garden, flowers or a little picnic area!

Please keep in mind the flowerbed area has a seeping water system so dig carefully, fencing is not allowed (except on top of your cement pad) and the lawn is off limits.

HOA Fee Increase

Everyone should have received the formal notification of a HOA Fee Increase. Beginning March 1st the rate will increase by \$10 per unit.

Help your child to Become A Scientific Thinker!

Encourage your child to be a "collector." Help them organize objects like seeds, rocks, shells and bottle caps.

Encourage investigation. Give your child a magnifying glass. Ask them, "What do you see?" "What's similar and what's different?"

Talk about science that happens in your home. For instance, which cereals get soggy? Why do foods in the refrigerator get moldy? Why do some plants need more water than others?

Show an interest in science yourself. Predict the weather. Observe the stars. Weigh snow. Mix paints.

Nurture curiosity. Ask your child questions like, "Why do you think?" "What might happen if?" and "How can we find out?"

Go to the library. Check out books and videos on different science topics.

We love new neighbors! If you see someone moving into our community, please be kind and inform them not to park on the street from 12am – 6am. We don't want their new life here to start with a tow or boot on their car! Thank you!
