

OCONEE SOIL AND WATER
CONSERVATION DISTRICT

How Do Your Donations Help?

EDUCATIONAL PROGRAMS

Funds help support educational programs throughout our County, including the annual essay and art contests, math and science nights and other teacher and parent support efforts.

CONSERVATION PROGRAMS

Funds support the district's efforts to promote conservation efforts to our agricultural producers, oversee the County's watershed dams, protection of open space and general support to our local farmers.

BACKYARD CONSERVATION

Funds support efforts to educate and offer support to our local residents on ways to support conservation in their backyards, (ex. rain gardens), promoting a program every quarter.
