

What is the Harley Owners Group® (H.O.G. ®)

National Chapter

The Harley Owners Group (H.O.G.), established in 1983, is an organization founded and sponsored by Harley Davidson Motor Company. This group was established to offer motorcycling benefits and services to Harley-Davidson enthusiasts throughout the world and to develop a close relationship between the Harley-Davidson rider, the Harley-Davidson dealer and the Harley-Davidson Motor Company.

The opportunity to start an independent chapter affiliated with the Harley Owners Group is offered to bring members together for the common interest of promoting motorcycling activities. The goal of each chapter is to generate an increased level of enthusiasm for riding Harley Davidson motorcycles. Fast forward to today and we have over 1 million H.O.G. members, making it the largest organization in the world! H.O.G. members don't just ride a Harley, they also give back to the community, donate to charities and meet up with other H.O.G. groups to bond over their love of all things Harley. All chapters shall be family-oriented and not a political organization.
