Stick to your knitting! How often have you heard this saying from someone near to you urging you to stick to the task at hand? I crocheted my new grandson a baby afghan (aren't all grandmothers supposed to do things like that?) I had been told by my family when I started it that he would be grown before I would finish it — but with persistence I made the last stitch in the car on our way to the hospital for our first glimpse of him. It was a simple little pattern doing the same (eleven stitches, add two, eleven stitches, skip two) over and over and over till it was finished. It could have been so boring — but I enjoyed ever stitch I took. I had a goal in mind and there was no quitting until it was finished. Every spare minute was involved with completing that afghan. One day while working on it the scripture in Galatians 6: 9 came to me "And let us not be weary in well doing: for in due season we shall reap, if we faint not." I have started other projects that were never finished for somewhere in the process I became weary of the same monotonous thing over and over again and quit and it was never of any use to anyone for I didn't have the incentive to complete the task. This time it was different somehow — I could hardly put it down. I was anxious to finish one row so I could start another, and so on and on.

Sometimes in our work for the Lord we become weary and it seems we are caught in a vicious circle — running in the same spot and we aren't accomplishing anything. We are sorely tempted to quit and try something else. But WAIT! Take another look at the goal you have set. God places a high premium on faithfulness. Have you ever heard him say to you when you were discouraged and about ready to give up, "Stick to your knitting, child. It won't be much longer and I'll let you see some of the fruit of your labors. You shall reap IF — you faint not". I wonder what could have been accomplished for the Kingdom of God by those who have fainted by the wayside IF they hadn't have given up? There have been so many who ran well for a season and it seemed they were going to do great things but somewhere along the line the deceitfulness of riches, the cares of life, the two combined, or something else caused them to be weary in well doing and they fainted and turned in the towel — never to know what the reaping could have been.

I think often of different people whom I have known or heard about from others who have prayed for years for lost loved ones to be saved before seeing them turn to Christ. What if they had given up the first year or worse yet if they had given up just one year, one month or one day before the answer came. All their previous efforts would have been in vain. And how sad to have labored at a task so long and then to have quit just before the hour of victory.

If you are weary and are considering giving up on a job half done because it looks futile from your vantage point and you are tired to the bone of spinning your wheels and getting nowhere — reconsider, friend, the task may be nearer completion than you think. Great is

God's faithfulness! And He has promised "strength for today and bright hope for tomorrow" What more could we ask? If it was worth starting, it is worth seeing it through to the end. "Stick to your knitting" "Be not weary in well doing: for in due season ye shall reap, IF ye faint not."

I wish to express my thanks to all who have prayed for me during my recent very serious illness. I am praising God for touching my body and I am gaining strength. I am grateful for all the many kindnesses shown me through this trial. May God Bless each of you.

Sis. Lula Parham seems to be gaining slowly. She is still in the Quaker Hill Rest Home in Lowell, Kans. She wishes to express her thanks to all her many friends for all their prayers in her behalf and also for all the expressions of love and concern for her. She continues to need our prayers.

Thelma Neff has undergone bone graft surgery recently. She is back in the hospital as the Report goes to press but she has high hopes of getting to go home again soon. Continue to pray for her and her family.

The Elmer Christensons have resigned as pastors of the Lovington, New Mexico church. He asks our prayers for his healing. He has recently undergone back surgery. They are praying with the congregation there for someone to feel the burden to pastor the church.

Bro. and Sis. Ollie Kinser have enjoyed their year of evangelistic work and now feel the burden to again pastor a church. Their address is Box 448, Laverne, Okla. 73848.

CONTEND THE FAITH FOR

by Carl Jelsovsky

In the third verse of the one chapter of the book of Jude we find one of the greatest watchwords in all Christendom. "Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for THE FAITH which was once delivered unto the saints." In the Gospels are recorded the words of Jesus to His Apostles to "watch and pray". Matt. 26:41; Mark 13:33). Jude gives us the foundation for all Spiritual watching and praying — FAITH!

Much has been penned concerning Faith. Jesus said, "If ye have FAITH as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place, and it shall remove; and nothing shall be impossible unto you." (Matt 17:20). Paul the Apostle gives us this: "being justified by FAITH, we have peace with God through our Lord Jesus Christ: By whom also we have access by Faith into this grace wherein we stand . . ." (Romans 5:1-2). Paul also says it is by FAITH we are saved: Rom 10:8-9; Ephesians 2:8-9.

So what is Jude saying when he says to 'contend for the FAITH once delivered to the saints'? The writer of Hebrews gives the clearest definition I have ever seen. "And what shall I more say? for the time would fail me to tell of Gideon, and of Barak, and of Samson, and of Jephthah; of David also, and Samuel, and of the prophets: Who through FAITH subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens, Women received their dead raised to life again: and others were tortured, not accepting deliverance: that they might obtain a better resurrection." (Hebrews 11:32-35). In this modern world of revolutions which touch every phase of human existence we desperately need something of unchanging value; a solid substance on which we can build a continuing and permanent structure. Such a substance is the FAITH which Jude wants us to contend for. Jesus gave us this as He was concluding His Sermon on the Mount. "Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: And the rain descended, and the floods came, and the winds blew, and beat upon the house; and it fell not; for it was founded upon a rock." (Matt 7:24-25). ". . . and that rock was Christ." (I Corinthians 10:4). Faith in Almighty God and His Son Christ Jesus is what has enabled every saint to leave his mark and testimony for the Spiritual values which we so dearly treasure.

THE LITTLE FOXES SPOIL THE VINE

I feel many people, to some extent, are trusting in and using some things that are condemned by the Bible, such as magic tricks and astrology.

Some are trying to get direction for their lives by their birth month, instead of asking for the guidance of the Holy Spirit.

Daniel 1: 19 and 20 says: "The king communed with them; and among them all was found none like Daniel, Hananiah, Mishael and Azariah; therefore stood they before the king. And in all matters of wisdom and understanding that the king inquired of them, he found them ten times better than all the magicians and astrologers that were in all his realm".

Some think it is alright to use magic tricks to teach the young people. They reason that the end justifies the means. King Saul thought that, when he saved the best of the flock that Samuel told him to utterly destroy. He saved them for a sacrifice unto the Lord; but Samuel said that obedience is better than sacrifice. I Sam. 15: 16 - 26.

Since magic tricks, sleight-of-hand, fortune telling, and astrology cannot be used to give Spiritual guidance or direction to our lives, we must not use them in the Lord's work, for they are the devil's tools which he uses to deceive us.

Moses stood against the magicians as these things come from a satanic force. "Be not unequally yoked with unbelievers, for what fellowship hath righteousness with unrighteousness? what communion hath light with darkness? and what concord hath Christ with Belial? or what part hath he that believeth with an infidel? 2 Cor. 6: 14 - 15.

Simon, the sorcerer, tried to work with Peter and John but Peter rebuked him. Acts 8: 23 says: "For I perceive that thou art in the gall of bitterness and in the bond of iniquity."

In Acts 16: 16 - 18, a damsel followed Paul and said: "These men are the servants of the most high God, which shew unto us the way of salvation." Many would think she was harmless but Paul recognized the false spirit and cast it out of her. It surely was not what she

said, but God does not want any communion with the devil. We have to be so careful, because in the end time, the devil will deceive the elect, if possible. Mark 13: 22.

Let us not fool around with puppets and magic tricks trying to entertain our young folks but teach the word as Paul told Timothy, "From a child thou hast known the holy scriptures which are able to make thee wise unto salvation through faith which is in Christ Jesus." 2 Tim, 3: 15. In verse 14 he was urged to continue in the things he had learned.

In Acts 19: 18 - 20 "Many that believeth came and confessed, and shewed their deeds. Many of them also which used curious arts brought their books together and burned them before all men: and they counted the price of them and found it fifty thousand pieces of silver. So mightily grew the word of God and prevailed.

"But in the eighteenth year of Josiah wherein this passover was holden to the Lord in Jerusalem. Moreover the workers with familiar spirits, and the wizards, and the images, and the idols, and all the abominations that were spied in the land of Judah, and in Jerusalem, did Josiah put away, that he might perform the words of the law which were written in the book that Hilkiah the priest found in the house of the Lord. 2 Kings 23: 23 - 24.

When King Saul lost contact with God, he turned to a woman with a familiar spirit for help. 1 Sam. 28: 3 - 7.

The Lord is so wonderful and trustworthy let us not disobey him and end up being deceived by the devil and his cunning devices.

What is magic? Any mysterious, seemingly inexplicable or extraordinary power or influence: the art of producing baffling effects or illusions by sleight of hand, or concealed apparatus; sorcery, wizardry and witchcraft. Along with magicians, are soothsayers, astrologers, and fortune tellers.

I know there are some who will say that we do not need to be concerned about these things that I have brought to your attention but I have a burden that impelled me to give this warning for the sake of those who are not familiar with what the Bible teaches about such things. I offer this article very prayerfully.

Greetings from

THE SUPERINTENDENT OF THE BIBLE COLLEGE

Greetings to every reader of the Report, from the Apostolic Bible College. It hardly seems possible that winter has come and gone and we are again preparing for the summer activities of our movement. In surveying the calendar, I find that the day for enrollment into Bible College is not far off, and as usual, there is so much to be done.

To bring you up to date on the happenings around Bible College, let me begin by saying, "thank you" to the people who came and worked on the school this spring. Several from the Oklahoma-Texas panhandle area came up here two different weeks and labored to prepare the school for the fall semester. We installed six new fiberglass showers in the boys' dormitory, paneled all the hallway of the boys' dorm, built five new closets in this area, carpeted all the hallways, installed new light fixtures to run the entire length of the halls.

There is a move now for different of the churches to take as a project to panel and carpet one room of the boys' dormitory. The church at Granby, Mo. has taken the initial steps in this project and will fix one of the rooms. The church at Baxter Springs will also do some work in one room. If any church or individual would like to improve your school by helping in this way, the anticipated cost to panel, trim out and carpet one dorm room will be about \$250.00.

The fall semester looks very promising with applications still coming in. It appears that the dorms are already nearly full, but after all, this is what we have prayed for. Let us now re-evaluate our physical plant, and ask God for bigger and better things.

There are three ways you can support the school. 1. Spiritually: Pray every day between now and December 14 for the school. 2. Physically: Come and work and visit the school. 3. Financially: Invest in the school with the money God has let you be steward over.

If there is anyone that you know who might be interested in attending College this fall, please send me their name and address, and I shall contact them.

Sincerely,
Ted Barker, Supt.

A Note of Thanks

Apostolic Report,

First of all I would like to express my thanks to Sister Busch on the fine job she is doing with the paper. I do appreciate and look forward to each issue.

I would like to take this opportunity to thank the movement for the wonderful hospitality shown to the Bible College Singers while we were on tour of the churches. We found many "homes away from home" and for every kindness shown us, thank you so much. I feel the tour was very successful. It far exceeded even what I had anticipated. We were privileged to sing and testify to about 4,000 people. In the 82 days we were on tour, we conducted 76 services, traveled more than 16,000 miles in 17 states. God blessed us in every way and I in turn hope we were a blessing in every place that we ministered.

On behalf of Carolyn, Barbara, Glowanda Quesenbury, Shari Cook, Doug Hibbs, Rick French, and myself, thank you and may God bless you very much.

The long play stereo album recorded by these kids is now on sale for \$5.00 from the School office. The name of the album is "If He Keeps On Pouring It On".

Sincerely,
Ted Barker, Supt.

THANK YOU, DAD

Sure, life has had its ups and downs ;
I've scratched my head a time or two,
But prayer has chased away the frowns
And turned the grey skies into blue.

I wouldn't trade those hectic years
Of raising kids and paying bills ;
I wouldn't even swap my tears
For all earth's so-called happy pills.

There is a certain satisfaction
In a partnership with God,
Sharing hopes in His creation,
Stretching far beyond the sod.

Be it a girl with golden locks
God sends along your way,
Or a boy to mess in your tool box,
You're happy for their stay.

Grasp the hand of your dear wife,
Look with kindness on your kids,
Thank the Lord for a family life,
Promise you'll do what He bids.

Some great day, if not tomorrow,
For your labors you'll be glad,
When beyond earth's pain and sorrow,
Someone whispers, "Thank you, Dad."

Pattison, Texas

This is the first time we have ever had anything in the Report about our church; but we would love to tell you of how God has blessed our little work and how it has grown. We are praying that God will continue to send us the old time religion in these modern and perilous times. Our church is not so hard to find. It is between the towns of Pattison and Brookshire, Texas on farm road 359. We are thankful for this place which was given to us by Bro. Ernest (Buddy) Stenzil, who was wonderfully saved from a life of sin. We are also thankful for Bro. John Scruggs, our pastor, who preaches the truth in a time of untruth. We extend a hearty welcome to all who would come by to visit our church, especially visiting evangelists. May God bless each of you.

Rockdale, Texas

God has blessed us in many ways here at Rockdale. Bro. Dwayne Methvin has been with us since last August. We appreciate his work and labor for the Lord here. Bro. Dwayne left May 13 to work in Vacation Bible Schools in other churches. May God bless his work for the Master.

I have resigned as pastor of the Rockdale church, effective in August. After pastoring here the last three years, I am open now for calls to pastor elsewhere.

Danny Robinson, Pastor

We're thankful for the love of God and His blessings which He bestows upon those who serve Him. Truly, He is a Great Big Wonderful God.

On Mothers Day, the Sunday School honored each Mother with a small potted plant, to show appreciation to the Mothers of the church.

Our V.B.S. begins on May 29. Sis. Dorothy Kinser will be directing the school.

We are thankful to the Lord for the one that was sanctified in our Sunday service two weeks ago. Our prayers are with her.

The Lord has been meeting with us in a gracious way. His blessings have been abundant.

Work is started on the ceiling in the sanctuary and we hope to soon have it finished. We wish to say thank you to anyone who helped with this work.

The ladies of the church were busy with a bake sale. The efforts of the ladies in baked foods sold and their contributions pushed the figure to a total of \$210.00 and the church wishes to say thanks to the ladies for a job well done.

Sunday evening, April 30, a special Healing Services was conducted. The Lord was present to hear and answer prayer.

Sunday, May 14, was Mother's Day and a special service was held in their behalf. Bouquets of pretty red carnations in crystal vases were presented to Sister Rebecca Hixson as our oldest mother present, Sister Shirley Hoskins as our mother with the most children present in the services, and Sister LaWana Halbert as the youngest mother.

In our Wednesday evening Prayer Services we are studying the third missionary journey of Paul, and the letters he wrote in connection with his labors for the Master.

Everyone is pretty busy around here this time of year. We are planning our V.B.S. for the 5th of June. Lois Riley will direct our school this year.

We have been privileged to have Sandra Lemmons with us since the 5th of May. She has really been a blessing in the services. She plans to stay with us awhile.

We have recently had some visitors in our services, Bro. and Sis. Bud Lemmons from Laverne, Okla. and Bro. and Sis. Euroid Gabler from Liberal, Kansas. We enjoyed them in our services.

Roland Haney, Pastor

Union Chapel Church

An Old Fashioned Brush Arbor Campaign is to be held July 13 - 23 in the Bethpage community on the Arvul Kidd farm. Camping facilities will be available with water and electricity. There will also be a refreshment stand at night for the convenience of those who come from a distance. There will be plenty of good singing. The Union Chapel Church and their pastor, Bro. Bob Cooper are sponsoring this meeting and they are a singing group of people and enjoy good singing. Olen Bachler will be the Evangelist. We are expecting a great turnout for this meeting.

Bro. Bob Cooper, Pastor

Hardesty, Oklahoma

We're enjoying worshiping God in our "new sanctuary". Most all of the work is now completed on our remodeling program. The new drape at the front and the back door will complete this program. A little work outside remains to be finished, also.

The week following Easter our new wall-to-wall carpet and the new padded pews were installed to complete the work. With the decorator windows in a fusion of blue, green, and gold, muted green panelling on the walls, the carpet in a blue-green mixture and forest green upholstery on the pews, it is indeed a beautiful, reverent place in which to commune with God.

The altars and pulpit are new also, matching the pews. The front railing was removed, cut down, panelled like the walls and placed just in front of the choir pews. The heating and air-conditioning units were moved and three additional pews placed in the sanctuary. We can try to describe it all, but it simply doesn't resemble what was there before; you must see it before you understand its complete beauty.

The most wonderful part is the day following the final installation (Sunday, April 9) three souls found the Lord. What a most perfect way to dedicate the new altars! God blessed in both services and blessed many lives.

Recent visitors to our services have been the Rev. and Mrs. Ollie Kinser and family. We certainly enjoyed their ministry among us. The Faith Chapel Choir of Canyon was with us in concert on April 8 . . . some five hours after the installation of our new pews. Everyone enjoyed their ministry in song and testimony. We also enjoyed Mr. and Mrs. Lee Oakes and their family and Mr. and Mrs. Mark Bard in our services April 30th. They were here for the wedding of Mr. and Mrs. Carol Oakes (she's the former Gaytha Martin). We miss Sis. Gaytha from our midst but ask that God make her a blessing to the Joplin church as she was to us at Hardesty.

June 5-9 will be our Children's Crusade under the direction of Mrs. Kathryn Cornell, assisted by Mrs. Yvonna Whiteley and other Hardesty ladies.

We ask your prayers that our church will continue to grow in the things of the Lord and that we'll continue to see His Spirit moving in our midst as we labor here another year.

Howard Whiteley, pastor

Cave Springs, Arkansas Apostolic Faith Report:

We thank the dear Lord for having been so good to us at Cave Springs. However, we have an announcement to make that creates a problem for us. Our pastor and wife and baby, Bro. Austin Sutton and family, are leaving us. Their work here will terminate with the July 2 service. Bro. Sutton just feels that his work here is finished. We hate to lose them but we appreciate their obedience to God's will.

The Lord was good to us in sending this fine young couple to be our pastors the past two years. They have been good for our church in many ways. Now we are looking again and trust that God will send us another young couple.

Ginger Ingram presented a wonderful program of testimony in song Sunday, May 7. She will also conduct our VBS May 30 through June 3.

Wednesday, April 26 was our farewell party for Bill and Vicki Patterson. The Ken Priest family will be moving to Goodwell the third week in May to be our new Student Center directors. Please remember them in prayer.

We now have two Good News Clubs held every Tuesday and Friday after school. They are for children from 2 to 12 years of age.

We are also having a men's Prayer Breakfast every Thursday morning at 6 a. m.

God blessed in a wonderful way in our recent Lay Witness Mission.

May 21st we are having a special baptismal service.

Edwin Modrick, Pastor

Midway Country Church Logan, Oklahoma

Our revival with Bro. O. A. Busch and gospel party closed April 23. The spirit of the Lord was felt in every service. Several received personal victories and the Lord blessed in our altar services. We enjoyed the little Kinser brothers special singing, also.

Bro. Terry Mathis visited our church on Sunday morning, May 14 and brought the messages. His text was in Isa. 5th chapter and he spoke on "How God needs Humble People".

The church and community were saddened by the sudden death on May 5 of Mrs. Jessie Hendricks. She will be greatly missed by all.

Plans are underway for our DVBS. Our theme this year will be "We Worship God". It will begin Tuesday May 30 and go through Saturday, June 3. Our prayers are for some boys and girls to find Christ as their Saviour in this Bible School.

All preachers and gospel workers are welcome to visit us any time.

Brothers and Sisters in Christ:

God has been so good to us here. He has never failed us yet and we are expecting to do more for Him in the next year than ever before.

God has released Rev. Billie J. Harris as our pastor here. The Harris' have done their best for us and God. Now we are seeking a pastor to continue God's work here. We are asking the Pastor God is calling to us to contact us. We are seeking in this way so that God's will may be done in all of our lives. We are asking everyone to help us pray for God's will in this. Please contact me, Mrs. Charles J. Flenniken (call collect) 9326 Heiting Court, Santee, Calif. 92071. Phone 714-449-5899.

We have enjoyed having some visiting ministers come our way recently. They have been a real blessing to all of us. Bro. and Sis. Bill Yakei were with us Sunday night, April 30 and Bro. and Sis. Gene Cornell were here May 13 and 14. We start our V.B.S. May 30. We desire your prayers that it will be a great blessing to the children. Please pray for the following for healing: Euteva Gregory, Mr. and Mrs. Harold Davids, Leroy Pharies, Maudie Tickle, and Mary Branham. We desire prayer that we may know God's will for our future.

Greetings from the mile-hi city in the name of our wonderful Lord!

It is with thankfulness that we come to bring a report of the church here in the Denver area. God has been so very good to us for which we give Him all the praise. God has blessed each home represented in the church and there have been souls saved in the regular services as well as those deepening their lives in the things of God.

We enjoy the Report so very much. God bless you in your efforts for our Lord and Savior.

Greetings in the name of the Lord! We are praising God for the progress made towards property for the church. We've paid down on three-fourths of an acre of land in the area where we are at present. The property has no sewer, water, electricity or building, but our trust is in One who knows all about it and has promised to supply our every need. It is a miracle how God directed us to this property.

The Bible School Group was here April 18 and everyone was abundantly blessed. We had a full house — even if it did rain (our first in about six months). It was Showers of Blessing all the way around!

Our attendance this last Sunday (May 14) was 43 with 16 regulars absent.

God's moving by His Spirit and we're rejoicing to be in the move. Pray for us. Thank you and God bless you for the good Report.

Francis and Ruth Dearing, Pastors
