Chicks for Charity makes donation

Carroll Hospice recently received \$5,000 from Chicks for Charity to benefit the hospice's Camp T.R. bereavement program on April 5. Chicks for Charity raised the funds during a special dinner dance held at The Coon Club in Hampstead on March 26. They decided to hold the fundraiser to give back to the community and to assist children in a meaningful way. Camp T.R. is a free, overnight weekend retreat for children who have lost a loved one that helps them learn strategies to successfully deal with their grief.
