- MISSION STATEMENT
- To promote school district accountability by
 - (1) improving the training and resources available to California's Prop 39 school bond oversight committees,
 - (2) educating the state legislature, local school boards, and the public about the oversight and reporting power these Citizens' Bond Oversight Committees (CBOCs) have, and
 - (3) to advocate on a state level, where appropriate, on issues of common concern to all CBOCs.

WWW.CALBOC.COM: AWARDS

7

- The Anton Jungherr Award is given annually by the California League of Bond Oversight Committees (CaLBOC) to those who have made a significant contribution in moving the cause of citizen oversight in local government bond programs forward.
This award is named in the honor of Anton Jungherr who is a co-founder of CaLBOC and contributed significantly to the training materials on the CaLBOC website. He has made outstanding contributions to improving the accountability of school bond proceeds through legislation and through his tenure on the bond oversight committee of West Contra Costa Unified School District.
