Dear Parents/Carers

I am excited to start a new Performing Arts after school club on Mondays for Year 4 pupils which will include one of our Trailblazer selected theatre based projects.

The first project the club will spend some time learning is the child-adapted version of the Opera of Carmen. We will then be putting on a performance for parents and carers to showcase the production after the Easter break, a date will be finalised when rehearsals have begun. The club will involve both acting and singing, however there will be backstage roles available for students who wish to be involved but not on the stage.

The club will be open to 25 pupils who are committed to attending every week and who are confident in performing, however pupils do not need any singing or acting experience to participate. Pupils who attend and perform in the final production will also receive a nationally recognised Arts Award at the Explore level.

If your child would like to join the project, please complete the form below and return to your child's teacher by Friday 18th January. You will receive a letter on Friday 18th if your child has secured a place, with all the relevant details.

I look forward to working on our production!

Thank you

Miss Tolley
