A Note from Rick: Strong week for markets at TLA this week. We saw slight gains in several different areas on Tuesday. Slaughter cows were \$3-\$5 stronger and when you combine this with the last several weeks of slightly higher prices it adds up to a significant difference. This, along with better prices in recent milk checks and it makes the dairy situation look a lot better. Calf prices were stronger again this week as well. This market has definitely shown a lot more stability than it has in several months. Dairy cattle prices were steady along with feeders and hay. Looking forward to our Mid Winter Horse Pull and Benefit Stallion Presentation this Saturday and our February Driving Horse Auction on the 22nd. Hope to see you all at TLA!
