I. MISSION & CORE VALUES

Our Mission

The Team at Apex Collegiate Academy works diligently daily to ensure that we accomplish all that we endeavor.

Through rigorous academics, core subject mastery, and character development, Apex Collegiate Academy Charter School educates all students in grades 6-12 to excel in four-year colleges and gain access to professional and life opportunities.

Core Beliefs

Apex Collegiate Academy Charter School (“Apex Collegiate”) is informed by seven core beliefs that help us to fulfill our mission of college success for every student:

- I. A successful school can be built from day one with high academic expectations for every student, regardless of background.
- II. Students thrive within structure and when expectations are clear and supports are high.
- III. For students to succeed in school and in life, we must explicitly teach character development.
- IV. For students to excel, an extended day and year, with prioritized use of time, is a must.
- V. Students’ academic growth and levels of achievement in all grades and all subjects are supported by a school’s strategic use of data.
- VI. Successful schools identify, support, and grow teachers to produce great results.
- VII. Successful schools that deliver academic results require mission-driven leadership.

Pillars of Apex Collegiate Academy

Apex Collegiate Academy mission is based upon three pillars:

Rigorous Academics. All curriculum and assessments are aligned to Common Core State Standards (CCSS) and all assessments reflect the requirements of PARCC. Literacy is a priority at every grade level. Middle school students take double blocks of reading and we infuse reading in all subjects. We require a minimum of 25 minutes of independent, accountable reading per day. STEM-informed curriculum and STEM-based enrichment are provided to every student, supplementing rigorous instruction and inspiring students to recognize the real-world application of classroom learning.

Core Subject Mastery. We operate toward the goals of students performing in the top two tiers of performance (4 and 5) on PARCC assessments by the end of grade 8 and a growing percentage of students performing in the top tier (5).

Character Development. Character is taught, modeled, and required. We champion and live by our CLIMB values. We prepare students academically and socially so they are able to compete for college seats and scholarship funding. We maximize students' exposure to experiences beyond their neighborhoods. For students to believe college is attainable, we give them and their families opportunities to visit colleges early and often.

Core Values

"The ultimate measure of a man is not where he stands in moments of comfort, but where he stands at times of challenge and controversy." – Dr. Martin Luther King, Jr.

We believe in setting high expectations for all students and staff in the areas of school culture, academics, and character development. Part of setting high expectations is grounding students and staff in our belief systems which are defined by our core values which drive our mission.

We consistently champion and live by our core values:

Civility: At Apex Collegiate Academy, we are a community where everyone is respected. We treat peers with mutual respect and we honor and respect those in authority and leadership. We treat our surroundings with care and respect. We keep the school clean and ensure it is a welcoming and inviting place that provides for maximum learning.

Leadership: At Apex Collegiate Academy, we recruit and hire staff members that seek to lead. We develop our students into leaders. Students understand that they should not only follow the examples set by adults in the school, but that they must own the responsibility of setting examples for other students with regards to behavior and academic achievement.

Integrity: At Apex Collegiate Academy, we are a school where everyone is expected to do the right thing, even when no one is watching. We hold students, staff, and our board to high standards. We stand united in the belief that our strength lies in our ability to possess individual accountability which builds a strong community that fosters excellence for children.

Mastery: At Apex Collegiate Academy, excellence is our aspiration. Students are constantly pushed to master skills and concepts in the pursuit of an excellent education. We have a relentless focus on reading and math to close the academic achievement gap and accompanying opportunity gap for every student.

Being our Best. To be the type of learning community we aspire to be at Apex Collegiate Academy, every adult and student comes to school each day committed to giving their best. We have the necessary resolve to perform better each day than we did on the previous day.

All families must complete a federal free/reduced lunch form. Once the form is complete and submitted all students will be notified of their eligibility.

Students are welcome to bring a lunch from home. They will not have access to a microwave to heat any lunches. We also strongly encourage a healthy snack list for students. Examples of healthy snacks include fruit bars, granola bars, celery, carrots, strawberries, grapes, apples and 100% fruit, dried fruit snacks. Examples of unhealthy snacks include potato chips, Cheetos, cookies, fruit roll-ups, and cupcakes.

School Closing

Although we are not associated with East Baton Rouge Parish Schools, in most instances if they close due to bad weather, Apex Collegiate Academy will likely be closed. Listen to the radio or television for the announcement related to the closing of local schools. In the event that weather conditions make travel to school hazardous and unsafe, but East Baton Rouge Parish Schools do not close, it is recommended that parents exercise caution when bringing their children to school.

Health Information

Illness During School Hours

If a child becomes ill or injured during the school day and is not well enough to stay in class, the parent/guardian will be called to pick the child up. **It is necessary to have updated emergency contact numbers on file in the school office in case no one can be contacted at home.** Parents will have the opportunity to sign a waiver form that permits the nursing staff to administer over-the-counter medicine to children. If a child needs to take any prescribed medicine, please obtain the appropriate documentation from the doctor giving the nursing staff permission to administer it to your child.

Please be sure that the school has up to date contact and health information. If your child has needs we do not know about, we cannot provide for those needs. If your child has an emergency, we must be able to reach you. If your child is hurt and requires medical attention, and we are unable to reach you, the school will seek medical attention.

If a health-related absence is necessary, the parent must call the school to inform them of the reason for the absence. Upon the student's return to school, a doctor's note must be brought to the main office for the absence to be considered excused.

Contagious diseases

If any time during the school year your child falls ill to one of the following infectious diseases, please seek medical attention and avoid bringing them to school. If a student

is brought to school with one of the diseases, a parent will be contacted and asked to immediately pick up their child. The list includes, but is not limited to:

- 1) Flu
- 2) Chickenpox
- 3) Pink eye
- 4) Strep throat
- 5) Lice
- 6) Stomach flu/virus
- 7) Ringworm

Family Involvement

In addition to the duties listed in the signed contract, parents are expected to participate in their children's learning in the following ways:

- Parent/Teacher Conferences

Parent/guardian must attend a Parent/Teacher conference if their child is not making sufficient academic gains or experiencing behavioral issues in the classroom. During this time, parents will meet with individual teachers regarding the necessary steps to take to enhance their child's educational experience. If a parent is unable to attend, they must make arrangements to meet with teachers on a different date.

- Procedure for Parent/Guardian Concerns

For academic issues the first call should be to the teacher. If the matter is not solved with the teacher, then the next call should be to the school Principle.

Discipline problems should also first be discussed with the teacher. It is important to discuss the matter with the teacher and attempt to resolve the issue through informal discussion. If there is no resolution to the problem, the parent/guardian should then contact the Director of Culture. All issues will be mediated at this level and the appropriate decisions will be made.

Apex Collegiate Academy believes in keeping high levels of respect amongst all members of the community. If there are problems that need to be addressed, they must be done so with the appropriate time, tone, and place.

Community Involvement

Each month we will host activities to engage our students in their community through field lessons (field trips), community service activities, and parent/guardian school activities (Muffins with Mom, Donuts with Dad, Grandparents Day, etc.).

III. ACADEMIC POLICY

Curriculum Overview

The curriculum is driven by clear performance standards for what students should know and be able to do. For each grade level, standards are based on national and state curriculum frameworks. Teachers will use regular in-class and school-wide assessments to measure how well students are mastering the standards.

We use knowledge about student skills to shape whole class instruction, small group work, and work with individual students. Using individual student data, instruction can be targeted to better meet individual student needs. Teachers do not simply work to get through a textbook; rather, they assess our students' areas of strength and growth to target instruction appropriately.

Parents will receive weekly progress reports on their academic progress to provide ongoing feedback about student performance. Parents are expected to sign their child's weekly progress report and return it to school. Teachers may also contact parents/guardians if they see a significant slip in academic performance or a special skill that needs extra practice at school and home. We hold parent-teacher conferences at the end of each quarter to distribute report cards and provide parents/guardians with more detail feedback on their child's academic performance. Parents/guardians may also get informal feedback about student performance throughout the year by calling the school and scheduling a time to meet with their child's teacher.

INCLUSION: Apex Collegiate Academy is participating in a full inclusion special education model, which means that all students with current Individualized Educational Plans will receive services within the context of the regular classroom with the assistance of the special education teacher.

Attendance

Apex Collegiate Academy students arrive by 7:30A.M. every day (Mon. – Fri.), and remain at school until 4:30 P.M. If a student is going to be absent he/she must contact the office by phone the night before the day of the expected absence. If a student will be out sick, the parent must contact the office by 7:15 A.M. Earlier, written permission is both welcome and appreciated. Calls should be made as far in advance as possible and can be left on the school's main voice mail if necessary. If a student is not in 1st period and the school has not been notified that he will be absent, his parent or guardian will be called at home and/or work. In phone calls, voice mails, and notes, please leave or list your student's name, your relationship to the student, and the reason for and date(s)

of the student's absence. All questions regarding student attendance and attendance records should be directed to the school's Office Manager.

Upon the student's return to school, whether it is the next day or on some day after, the student is expected to bring a signed doctor's excuse, which includes the date or time and a reason for the absence.

Since missing class affects academic achievement, repeated absences may be reflected in the student's grades. If a student is repeatedly absent the Director of Culture, teacher(s), student and parent or guardian will meet to address the issue.

Excessive absences will not be tolerated. If a student is absent with or without excuse for more than 10 days of the school year, unless in extreme situations, that student may fail all his/her classes for the year and will need to repeat his/her current grade.

A student is considered absent with a legitimate excuse when the student's family has contacted the school regarding student illness, family emergency, or religious observance at least one half hour ahead of the absence and follow up with a written note from a doctor or appropriate official when the student returns to school. All other absences will be considered unexcused, including but not limited to, family vacation, participation at sports tournaments, attendance at entertainment events, or when the family has not contacted the school with a satisfactory reason. Work will not be provided in advance of unexcused absences or during out-of-school suspensions. Any class work, homework, projects, quizzes, or exams — including midterms and finals — missed during unexcused absences will be counted as a zero and cannot be made up. During in-school suspensions, completed homework will receive credit, and all missed quizzes and tests may be completed in a timely manner. All class work missed during in-school suspensions, however, will earn a zero and cannot be made up.

If prior notification had not already been provided, upon the student's return to school from an absence, whether it is the next day or on some day after, the student is required to bring a signed note from his parent or guardian explaining in detail the reason for the absence. If a student made a medical visit, a note from his doctor is required in lieu of the parent note.

Since repeated absences means missing class, and missing class affects academic achievement, excessive absences will result in lower class grades since part of a student's grade is based on his performance in class. Therefore, it is imperative that students are at school, on time, every day.

If a student is absent for the first five days of school, or at least 10 consecutive days during the school without successful contact between the family and the school to explain his absences, that student will be considered to have withdrawn from Apex Collegiate Academy and will be considered un-enrolled from the school. Students who are absent from school cannot attend or participate in school sporting events, dances,

or any other school-sponsored activities occurring on the day of the absence, unless the school has given advance permission.

Tardiness

Students that arrive after 7:45 a.m. sharp are tardy. This may mean that you are marked late for arriving at 7:46 a.m. and 2 seconds.

Excessive tardiness will not be tolerated. Students who are tardy will be issued paycheck deductions upon arrival for each of the first 3 incidents. After the 3rd incident, the Director of Culture will contact the family. After the 5th tardy, the student must immediately report to the Director of Culture, who will contact the family to schedule a mandatory family meeting before the student can return to classes. Parents must also follow the guidelines for late pickup.

Homework Policy

Apex Collegiate Academy takes homework very seriously. It is the school's policy to assign homework every night, including weekends. The purpose of the homework is to reinforce the skills taught in class. Students can expect to have up to two hours of homework each night.

Students will be responsible for recording their assignments in their homework folder, which will be provided by the school. Preparation is an important part of the Apex Collegiate Academy learning experience and no student is excused from any assignment. If a student needs help, it is the student's responsibility to meet with their teacher.

Absent Student Homework Pickup Policy

Apex Collegiate Academy values the instructional time for both the students and teachers; therefore, if your child is absent and you would like to pick up their notes and homework that day, you may do so after 4:30 P.M. All the student's notes and homework will be left in a folder, labeled with their name, in the mailbox corresponding to their grade to the left of the school's main entrance. This is done in an effort to respect student and teacher instructional time.

Make-Up Work

All missed work due to excused absence must be completed. All work needing completion or correction must be finished. It is the student's responsibility to consult with each of his/her teachers to make sure he/she is aware of all assignments. The time generally allowed to complete this work will be the number of days the student was absent. For example, if a student was absent for one day, then he or she will have one day to make up any missed work.

Cheating/Plagiarism

Cheating is a serious offense and is an offense punishable by loss of paycheck dollars. If a student copies another student's work or if a student gives another student his/her work, it is considered cheating.

Plagiarism involves the stealing of someone else's ideas or words as one's own or the imitation of the language, ideas, and thoughts of another author (or person) and representation of them as one's original work.

The first time this offense happens in a teacher's class, the teacher will notify parents/guardians and the Director of Curriculum and Instruction, and a grade of zero will be given to the student on the assignment. Students who are cheating will still have to complete the assignment. If a student cheats or plagiarizes a second time, the matter will require a conference with the student, parent/guardian, and or the Executive Director. Cheating and plagiarism are grounds for expulsion.

Grading/Report Cards

The school year is broken into four grading periods. Each is long enough to allow students multiple opportunities to demonstrate mastery of specific skills. At the end of each grading period, students will receive grades in all classes. The grading scale is as follows:

90-100 => A

Students receiving an A show deep mastery of the knowledge and skills that have been taught; they demonstrate an ability to go beyond the basic requirements of assignments to produce creative, thorough work.

80-89 => B

Although students receiving a B may still have some areas to work on, they demonstrate a solid mastery of the knowledge and skills that have been taught.

70-79 => C

Students receiving a C have significant skill deficits. The quality of their work just meets minimum requirements.

69 and below => F

Students receiving an F produced work of unacceptable quality. They have major skill deficits that require additional instructional resources and student effort

Teachers will clearly state the grading standards for their class at the beginning of the year.

If student's skills are below grade level, then they may receive instruction using lower grade-level materials. However, grades will be based on the content and level covered by that particular class.

Schools Final Grades: The final, year-end grade for a course is the numerical average of the grading period. For example, a student with an 86 (1st grading period), 82 (2nd grading period), 94 (3rd period), and 87 (4th grading period) would receive a grade of 87 for the year. Grades are rounded to the nearest whole number. If a student receives a yearly grade lower than 70, he or she fails that course for the year.

Progress Reports: At the midpoint of a reporting period, teachers will prepare Progress Reports. The Progress Report is not the student's final grade. Rather, it is an opportunity to communicate with parents/guardians how their child is doing at the halfway point of the grading period. Progress Reports will include a letter and numeric grade indicating the student's performance. If there are questions or concerns about the Progress Report, parents should contact the teacher for that particular class. If the matter is not solved with the teacher, then the concerns should be taken to the Director of Curriculum and Instruction.

Promotion

The following criteria is used in determining a scholars ability to be successful in the next grade.

- A. Completed the course and State-mandated requirements at the presently assigned grade;
- B. Achieved the instructional objectives set for the present grade as decided by the professional staff
- C. Demonstrated sufficient proficiency to permit him/her to move ahead in the educational program of the next grade;
- D. Demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

Standardized Testing

Apex Collegiate Academy administers the NWEA/MAP in reading and math. It is given first during our CLIMB Week to all scholars as a means to determine where each child's areas of strengths and areas of need for the upcoming school year. Students are then given the NWEA/MAP during the spring in an effort to measure the academic gains for each student.

Apex Collegiate Academy is also required to give the iLEAP. To prepare students, the skills that are needed to become successful on the iLEAP are taught throughout the

year. At 4 times during the year, students will take interim exams that will measure their readiness for the iLEAP.

Tutoring

Students will receive extra help / tutoring during our daily FOCUS blocks. Students should understand that this time is dedicated to giving them the support they need to be successful.

Holiday Packets

Students will be given academic packets to complete over each extended holiday (i.e. Winter, Spring, and Summer Break). These packets are not designed to eliminate free/family time but to keep students on track academically and avoid the “amnesia” period that typically follows a holiday. Please make sure that your child completes all packets and doesn’t use academic short cuts.

IV. CODE OF CONDUCT

NON NEGOTIABLE EXPECTATIONS FOR APEX COLLEGIATE ACADEMY STUDENTS

1. Adherence to the Apex Collegiate Academy Community Compact
2. Adherence to the Apex Collegiate Academy CLIMB Values:
 - Civility
 - Leadership
 - Integrity
 - Mastery
 - Being our Best
3. The following expectations are implied by the Apex Collegiate Academy Community Compact and CLIMB Values:
 - Be on task at all times during class. While anyone is speaking, students will always concentrate on the speaker by focusing with their eyes and actively listening with their ears. Remember to “LEAD” (listen, engage, ask/answer questions, direct your attention to speaker).
 - Respond appropriately to all questions. Non-verbal actions matter.
 - Conduct oneself in an orderly manner, demonstrating respect to our educational mission, while at Apex Collegiate Academy or Apex Collegiate Academy functions.

- Do the right thing without being told.

Self-Respect: Students are expected to carry themselves with a sense of dignity, pride, and confidence. School uniforms are mandatory and are to always be worn properly. Confidence and self-respect go hand and hand.

Respect for Peers: Students are expected to refrain from insulting and humiliating others. Students are also expected to refrain from physically, emotionally, or sexually, harassing or assaulting others.

Respect for All Adults: Students are expected to listen and follow instruction, use appropriate tone of voice; by honoring a teacher's need to present a lesson to the entire class; by demonstrating an awareness of the appropriate time and place to disagree with a teacher's decision, and by accepting feedback.

Respect for Differences: Students are expected to not only be tolerant of differences but to respect differences amongst each other by being sensitive to the physical, cultural, religious, and gender differences, while refraining from using stereotypes.

Respect for Property: Students are expected to respect their personal property and the property of other students. They should maintain their material and supplies in good condition and care for the conditions of their school grounds and property. Students are always expected to pitch in and assist with cleaning to keep their community clean.

SAFE, STRUCTURED, AND SUPPORTIVE ENVIRONMENT

Apex Collegiate Academy is unequivocally committed to providing a safe and orderly environment in which students can improve their academic achievement. Students whose behavior does not meet the school community's clearly defined standards for reasonable and acceptable behavior will not be permitted to disrupt the education of others.

Without a firm and consistent discipline policy, none of what we envision for the school can happen. Therefore, we cannot overemphasize the importance of providing a firm and consistent discipline policy. Students and families have a right to attend a safe and orderly school. Therefore, for every infraction, there will be a consequence. This is the basis of our student code of conduct.

RESPECTFUL AND COURTEOUS ENVIRONMENT

Apex Collegiate Academy is also committed to maintaining a respectful and courteous environment in which students are expected to demonstrate those daily behaviors that are part of any respectful community. Students should politely greet staff each morning, greet teachers as they enter the classroom, as well as welcome any guests who are visiting the building with a handshake, a pleasant greeting, and an introduction.

Students will practice these skills and be expected to demonstrate them each day. These social skills are an important factor not only in creating the type of school environment we desire, but are an essential part of every student's growth into young adulthood.

Apex Collegiate Academy Merit System

As we work to provide a productive learning environment, it is equally important for us to acknowledge and reward desirable behavior in students. We accomplish this primarily through the CLIMB Dollar system.

CLIMB Dollars acknowledge individual acts that promote a positive community or support academic achievement. Students can earn CLIMB Dollars from a staff member for a variety of reasons, including but not limited to:

- volunteering to help a student or teacher
- volunteering service to the school
- taking initiative
- showing courtesy
- performing an act of kindness
- outstanding effort or improvement
- doing what's expected when others are not
- exhibiting the CLIMB values

Students accumulate CLIMB Dollars over time and can use them for special privileges.

Committing to the following behavior can also accumulate CLIMB Dollars.

- Civility means we treat peers with mutual respect and we honor and respect those in authority and leadership. We treat our surroundings with care and respect.
- Leadership means that as students we must own the responsibility of setting examples for other students with regards to behavior and academic achievement.
- Integrity in or actions and in our character. We always do the right thing even if nobody is going to know whether you did the right thing or not.
- Mastery means that our students are constantly pushed to master skills and concepts in pursuit of an excellent education.
- Being our Best means we have the necessary resolve to perform better each day than we did on the previous day.

Procedures

Each student in the school has a weekly paycheck, which captures his or her behavior throughout the week. Students may earn money for scholarly habits, but may lose money for choosing not to uphold one of the school's values. The money the students earns comes in the form of "Apex Dollars" which may be used for purchasing items at

the school store, including school supplies, college swag, or used to earn casual dress day.

Students begin the week with 100 CLIMB dollars. If a student chooses to not uphold one of the school's values, then money is deducted from that student's paycheck. The amount of money deducted from a student's paycheck varies according to the infraction.

When a student/ violates one of the items on the paycheck, the student loses the appropriate amount of money from his or her paycheck and the violation is recorded on the paycheck. If a student does something exceptionally well or goes above and beyond in upholding one of the values, the teacher may add 1-5 dollars to that student's paycheck.

Teachers are monitoring students' paycheck and enforcing consequences constantly for students who have significant deductions. Students who lose up to five dollars or more a day are required to have detention. During this time, they will reflect on what they need to do to increase paycheck amounts for the following week.

Students need to understand that low balances and negative balances will keep them from maintaining weekly averages that will allow them to attend semi-monthly field trips and the end of the year out of town field trip. Additional consequences may be enforced at the teacher or administrator's discretion based upon the severity of the infractions.

At the end of the week, all the teachers calculate and make a copy of their students' paycheck, and a copy is sent home weekly. Every student is expected to return the paycheck signed by his or her parent.

The following amounts are listed below to give you some guidance and how to gauge your child's week in school:

- 68 and below unsatisfactory week
- 70-78 paycheck means that a student needs improvement
- 80 -88 paycheck means that a student had a satisfactory week.
- 90-98 paycheck means that a student had an excellent week.
- 100 or higher paycheck means that a student had a perfect week.

School-Related Disciplinary Offenses

Below is a description of school-related disciplinary offenses for which a student may be subject to detention, in-school suspension, out-of-school suspension, or expulsion. A school-related disciplinary offense refers to the violation of this code occurring:

- while the student is on school grounds or school-related transportation;
- during a school-sponsored activity; or
- during events sufficiently linked to school.

The list of offenses that follows is not meant to be comprehensive; there may be other circumstances that warrant disciplinary measures as well. And along with the list of consequences that result from such offenses, students may also earn a loss of privileges, which include but are not limited to:

- sitting in their seat during breaks;
- eating lunch in the office and/or in lunch detention;
- missing school events, trips, or activities (including dances and assemblies);
- remaining in school for the entire day during Early Dismissal days;
- serving in-school suspension;
- reflecting on their behavior orally and/or in writing;
- apologizing to their peers in small groups or at a community circle; and performing extra service for the school.

Paycheck Deductions and Detentions

If a student commits any of the following infractions, the student may receive a paycheck deduction, may receive detention, may lose some or all school privileges, may be sent out of class, and/or may be sent home for the rest of the day. Infractions include, but are not limited to:

- Disrespecting a fellow student
- Disrespecting or arguing with faculty, staff, or other member of school community (automatic detention)
- Disrespecting school property
- Being out of uniform
- Arriving late to school or class
- Chewing gum
- Lying to a staff member for any reason is grounds for an immediate suspension.
- Disrupting class
- Being unprepared for class
- Being off-task during class
- Talking during instruction

Students are expected to always respond respectfully to the authority and direction of school staff. Behaviors that are considered disrespectful include but are not limited to: rolling of the eyes, making inappropriate remarks or sounds in response to a request, or questioning a staff person's action or authority. Such disrespect will not be tolerated, and paycheck deductions, detentions, suspensions, and other consequences will be issued appropriately.

If a student is required to leave a classroom due to their behavior, the student must report to the Director of Culture's office.

A meeting between the student and his or her parent or guardian, the student's classroom teacher, Director of Culture, or Executive Director may be required to address the student's behavior and plan for improvement.

Out-of-School Suspension

If a student commits one of the infractions listed below, the student may receive an out-of-school suspension. Before the student returns to class, the student, his/her parent or guardian, the student's classroom teacher, and Director of Culture will meet to address the student's behavior and plan for improvement. Infractions include:

- Gross disrespect of a fellow student
- Gross disrespect of faculty, staff, or transportation provider
- Gross disrespect of school property
- Using or possessing over-the-counter medication inappropriately
- Using or possessing tobacco products
- Damaging, destroying, or stealing personal or school property or attempting to do so

- Cheating or plagiarism, or copying of anyone else's work (including the use of language translation sites and term paper sites on the Internet)
- Repeated and fundamental disregard of school policies and procedures
- Receiving multiple detentions and Director of Culture transfers

Internet Use and Cyber-bullying

The use of Facebook, Twitter, Instagram, Snapchat and other relevant online tools has caused many disruptions. As a school, Apex Collegiate Academy does not seek to stop all students from using these tools for communication, but we do have the right to discipline students based on content that would be detrimental to the school environment. Based on the content, students could receive detentions, out of school suspensions, or even expulsions.

Apex Collegiate Academy Suspensions and Expulsions

Under certain circumstances, students may be subject to suspension and for expulsion by the Executive Director as explained below:

- Any student who is found on school premises or at school-sponsored or school-related events, including athletic games, in possession of a dangerous weapon, including, but not limited to, a gun or a knife; or a controlled substance, including, but not limited to illegal narcotics of any kind, may be, subject to expulsion from the school by the Executive Director.
- Any student who assaults any educational staff on school premises or at school-sponsored or school-related events, including athletic games, may be subject to expulsion from the school by the Executive Director.
- Any students who fight on school premises or at school-sponsored events may be subject to expulsion.
- Any student who uses vulgar or abusive language towards faculty or staff, whether it is written or spoken is subject to expulsion.
- Any student who has served at least four out of school suspensions may be subject to expulsion.
- Any student who is charged with a violation of either paragraph a) or b) shall be notified in writing of an opportunity for a hearing; provided, however, that the student may have representation, along with the opportunity to present evidence and witnesses at said hearing before the Executive Director.
- After said hearing, the Executive Director may, in his or her discretion, decide to suspend rather than expel a student who has been determined by the Executive Director to have violated either paragraph a) or b).
- Any student who has been expelled from a school or school district pursuant to these provisions shall have the right to appeal to the Executive Director. The

expelled student shall have ten days from the date of the expulsion in which to notify the Executive Director of his or her appeal. The student has the right to counsel at a hearing before the Executive Director. The subject matter of the appeal shall not be limited solely to a factual determination of whether the student has violated any provisions of this section.

- If said student applies for admission to another school or school district, the superintendent of the school district to which the application is made may request and shall receive from the Executive Director a written statement of the reasons for said expulsion.

Students and families should note that the definition of “assault” includes not only harmful or offensive contact, but also threatening such contact. Students and families should also note that given the organizational structure of charter schools, Apex Collegiate Academy should be considered both the school and the school district.

In addition to those categories provided by statute, students may face expulsion as a result of the following infractions:

- Repeated or excessive out-of-school suspensions
- Repeated and fundamental disregard of school policies and procedures
- Assault against fellow students or other members of the school community who are not considered educational personnel
- Destruction or attempted destruction of school property including arson
- Possession of alcohol on school premises or at a school-sponsored or school-related event
- Possession of weapons or weapon paraphernalia

If the Executive Director determines that the student’s continued presence would have a detrimental effect on the general welfare of the school, then the Executive Director is the final determinate to suspend or expel a student who has been charged with a felony.

In addition to any of the preceding infractions, any breaches of Federal law, Louisiana State law, or ordinances and laws of the City of Baton Rouge and the Parish of East Baton Rouge may be handled in cooperation with the Baton Rouge City Police Department and may result in expulsion.

The student will be removed from class, and will be sent to the Main Office, Director of Culture’s Office, or another designated school location, following which the student’s parent or guardian will be notified of the incident by the Director of Culture or another representative of the school.

I. Short-Term Suspension

Unless a student presents a danger or risk of substantial disruption to the educational process, the student shall receive the following prior to suspension of one to ten days:

- a. oral or written notice of the charges;

- b. if the student denies the charges, an oral or written explanation of the evidence against him; and
- c. an opportunity to present his version of the relevant facts

In the case of danger or a risk of substantial disruption, this process will occur immediately after rather than before the suspension. Once the suspension has been served, the student will have to come before the community circle asking for forgiveness for disrupting the community, and asking for entrance back into the community to receive their education.

II. Expulsion or Long-Term Suspension

For expulsion or suspension longer than ten days, the student shall receive:

- a. written notice of the charges;
- b. the right to be represented by a lawyer or advocate (at the student's expense);
- c. adequate time to prepare for the hearing;
- d. the right to present witnesses and to cross examine witnesses presented by the school; and
- e. a reasonably prompt, written decision including specific grounds for the decision

The school will record (by tape or other appropriate means) the hearing and a copy of such will be made available to the student upon request.

Notices and proceedings will be translated into the student's/parent's primary language if necessary for their understanding of the proceedings.

Procedures for Disciplinary Action

Students may be required to serve one or more hours of school detention if they fail to meet school expectations. Students will be notified of their lunch detention for the next day. No exceptions will be made. If a student fails to attend a designated detention session, he may face an in school or out of school suspension.

Apex Collegiate Academy Student Suspension & Expulsion Policies

Students will be able to withdraw from Apex Collegiate Academy at any point in time and return to their local zoned public school or any other school to which they can gain admission.

Apex Collegiate Academy will adhere to the Apex Collegiate Academy Community Compact as a guideline for in class disciplinary action, suspension, or expulsion of students.

In class disciplinary actions will include, but are not limited to:

- additional assignments to be completed at home and/or at school
- lunch detention
- loss of incentives and school trips

Teachers will follow classroom disciplinary procedures before an office referral is made including a mandatory phone call and meeting with parents.

Due Process Procedures

Students with disabilities have the same rights and responsibilities as other students, and may be disciplined for the same behavioral offenses listed above. If a student with a disability has an IEP that includes disciplinary guidelines, the student will be disciplined according to those guidelines as required by IEP. Students for whom the IEP does not include specific disciplinary guidelines may be disciplined in accordance with the standard school policy listed above. Parents have the right to appeal any decision made regarding the placement of their child.

Student Restraint

Apex Collegiate Academy maintains a strict Code of Conduct and clear disciplinary procedures. These procedures do not allow for corporal punishment but rather include a clear set of consequences including paycheck deductions, detentions, loss of privileges, suspensions, and expulsions.

Corporal punishment of pupils is prohibited. School personnel can use reasonable force as is necessary to protect pupils, other persons, and themselves from an assault by a pupil. When such an assault has occurred, the Executive Director shall file a detailed report of such with the school board. All personnel authorized to administer any forms of restraint shall be trained annually in accordance with Department of Education guidelines.

With Respect to students or children with disabilities

Federal and state law provide certain procedural rights and protections relating to discipline of students who have been identified under such laws as Students with Disabilities. A copy of these rights may be obtained from the Executive Director.

Miscellaneous Guidelines

Students traveling to and from school on foot or via public transportation need to conduct themselves as if they were in the school hallways: travel on the sidewalk in a safe and orderly fashion; dispose -of waste appropriately; do not loiter outside or near the school building; and do not touch anything that may be residents' personal property.

Families who drive their children to or from school must not block access to the street or cause other disruptions to traffic patterns. Families that cause disruptions can be asked to transfer back to their home school.

In general, all members of the school community need to be sensitive to how their actions affect the neighbors.

Community Service, College Expeditions, Field Trips and End-of-Year Field Trips

Apex Collegiate Academy requires outside learning experiences and special school events. During these activities, it is important for all students to be responsible for their behavior since the site of the activity or event is a temporary extension of the school grounds. A permission slip that allows students to attend each school field trip or event will be sent home prior to the trip/event, and should be signed by a parent or guardian. Students who fail to return the signed slip — or who are not permitted to attend as a result of an earlier incident — will not be eligible to participate, and will be required to attend school that day. If parents or other volunteers assist with such trips or events, students must afford these chaperones the same respect they would provide to teachers. Appropriate behavior must be maintained when attending school-sponsored events, and riding on school-provided transportation. The use of portable electronic devices is prohibited on field trips unless the trip leader specifically indicates otherwise. Past or recent inappropriate behavior, or excessive paycheck deductions and/or suspensions, may result in detention, suspension, or loss of privileges in attending or participating in class trips and events, end-of-year or otherwise.

Forgery

Shared information and constant communication among teachers, students, and parents are crucial to the success of the school. Progress regarding academic and behavioral performance will be conveyed through a variety of means, including but not limited to weekly and quarterly progress reports and report cards, to be brought home by students, signed by parents, and returned by students the next school day. Any student, who forges their parent or guardian's signature, or forges parental or guardian approval on any official or unofficial school communication, will face an in-school or out-of-school suspension.

Student Expectations & Classroom Behavior

Students are expected to act responsibly and respectfully at all times because they are students at Apex Collegiate Academy. The school takes several measures to facilitate responsible and respectful behavior, including but not limited to:

- The Executive Director or his/her designee reviews expectations for appropriate behavior at all Family Orientations;
- Teachers review expectations for appropriate behavior in class;
- Director of Culture or his/her designee meets students each morning to ensure appropriate student behaviors; and
- Director of Culture contacts any parent whose child has failed to act responsibly and respectfully on the school bus and imposes the appropriate consequences for the misbehavior, following those guidelines set out in the Student Code of Conduct.

School Wide Behavior Plan

Hallway:

- All students in the hall during class time must have an agenda which states their purpose for being out of class.
- Students are in a straight line
- Students are silent in halls
- No running

Cafeteria/Gymnasium:

- Students enter the cafeteria quietly and in straight lines
- Students wait for lunch in straight lines
- All students are to maintain “restaurant voices”
- No student leaves the Cafeteria without permission
- Students clean their area and the area around them
- Students leave the cafeteria orderly and in straight lines

Prior to entering a classroom, students are expected to line up in a silent straight single file line along the wall outside their rooms. Upon entrance into the classroom, students in all grades should take their seats quietly and without interference and take out the books and supplies they will need for the class. Students should place all book bags on the respective hooks in the classroom. Students are also not allowed to have any food or drink in class. No student is allowed to have his head on the desk at any point during class. Students should remain in their seats at all times unless given permission to move about by the teacher (including throwing trash away, getting a tissue, and sharpening a pencil). Every student is expected to actively participate in class work through participating in the discussion or activity, taking notes, and following the lesson. At all times, students are expected to have their DEAR (Drop Everything and Read) book with them, which they can take out if they have completed the work assigned by the teacher. Students failing to follow these expectations, including being late to class or not in their seats, may receive a paycheck deduction or detention as a result.

During class, students should understand that there are certain necessary procedures that must be in place for effective learning to take place. Apex Collegiate Academy expects all their students to:

- Participate in Class. Students should participate in class by taking part in class discussions and answering questions posed by the teacher. If they are not participating vocally, students must make sure that they are actively listening, prepared to answer questions or partake in the discussion if called upon. Students are never expected to call out of turn in any of their classes and are never expected to leave their seats without the teacher’s express permission to do so.

- Understand Bathroom Procedures. Students should know that they may use the bathroom limited times during class periods. Teachers will be able to track the amount of times that students have used the bathroom during class periods and will limit the use. Students will have sufficient time during the morning breaks and afternoon breaks to use the bathroom. Students are dismissed at the discretion of their teacher. No student should leave his seat or class until instructed by their teacher. Finally, since teachers' classes are sometimes videotaped for internal instructional development, students may be occasionally videotaped during the normal course of a lesson.

GUIDELINES REGARDING LATE PICK-UP OF CHILDREN

Parents/guardians of students are expected to make arrangements to pick up their student(s) no later than 4:30pm (Monday-Thursday), and Friday no later than 2:30pm. We understand that there may be emergencies that delay pick-up. Therefore, we have established the following policy to allow for some flexibility while still holding parents accountable for on-time pick-up.

1. The first time a parent/guardian (or designee) arrives late (more than 15 minutes after the end of the school day) to pick up a student, the school will send a written notice to the parent/guardian enclosing the guidelines and informing the parent/guardian that the next time the parent/guardian is late, the school will charge the parent a fee of \$30.
2. Upon the second late pick up in the same school year, the school will again notify the parent/guardian of these guidelines, that the parent/guardian is responsible for paying the \$30 fee, and that if the parent/guardian is late again, \$30 late fee will continue to apply, and the school may notify Child Protective Services and the School Resource Office of the parent's/guardian's repeated failure to arrive on-time.
3. Upon the third late pick up and thereafter, the school will charge the parent/guardian a late fee and may notify Child Protective Services and (the School Resource officer) of the parent/guardian habitual failure to arrive on-time.

The Leadership of Apex Collegiate Academy reserves the right to address any item of clothing or appearance that detracts from the uniform policy/code. - A College T-Shirt (provided by the school) with the regular uniform pant/skirt and black shoes.

Students who do not have their shirts tucked in will be given a paycheck deduction.

Human Rights Policy

Apex Collegiate Academy brings together a diverse group of individuals. It is guided by the principle that respect and consideration for all individuals is foremost in all school activities. It is unlawful to discriminate against any individual based on race, color, religion, gender, nationality, sexual orientation, age or handicapped status. Apex Collegiate Academy wishes to stress that it is the responsibility of every member of the school community to observe and uphold the principles of equal opportunity as they affect staff, faculty and students in all aspects of school life. It is the responsibility of every member of our school community to actively promote appropriate workplace behavior. Any form of coercion or harassment that insults the dignity of others or impedes their freedom to work and learn will not be tolerated.

Any such form of coercion or harassment will result in appropriate discipline, up to and including, expulsion.

Harassment

Harassment is any form of uninvited and unwanted physical or verbal behavior, which creates an intimidating, hostile, or demeaning environment for education. Any student that is found guilty of harassment is subject to discipline up to expulsion. Examples of inappropriate behavior include:

- verbal or physical abuse or threats
- sexual harassment

- uninvited pressure to participate in illegal activities

Sexual Harassment

Everyone should be aware that sexual harassment can be a form of sex discrimination under Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- submission to such conduct is made, either explicitly or implicitly, a term or condition of a person's advancement or participation in a school activity.
- such conduct has the purpose or effect of interfering with a person's work or academic performance, or intimidating or humiliating a person.

Creating a harassment free environment requires the diligent effort of our community. We must continually improve our practices.

Response to Harassment

Apex Collegiate Academy is committed to equitable and swift resolution of harassment issues. Any student or employee experiencing harassment should follow any or all of these measures:

1. Let the offender know you want the behavior to stop. Be clear and direct. Do not apologize.
2. If you are not comfortable confronting the offender alone, ask a friend to accompany you, or write a letter to the offender, keeping a copy.
3. Make a record of when, where, and how you were mistreated; include witnesses (if any), direct quotes, and other evidence.
4. If you are a student, notify the Executive Director, or if you are uncomfortable doing so, speak with another adult.
5. If you are an adult, notify the Executive Director.

As soon as possible, the adult offender will report to the Executive Director. The Executive Director of School will notify the authorities, if necessary.
