You are hereby directed to report in person for a medical examination to the Board of Examining Surgeons, St. and No., 225 Remington St., Town, Fort Collins, County, Larimer

State, Colo., within three months from date hereof. The Board meets at 10 o'clock a.m. First Wednesday in each month.

Read the instructions below and return this order after the surgeon has indorsed thereon the date of your examination.

Very respectfully,

J. M. Fitzgerald
Commissioner.

Notify the board on which of the designated days you will appear for examination, using the enclosed card, which requires no postage.

The act of Congress approved July 25, 1882, authorizes the Commissioner of Pensions to direct examinations by boards of surgeons. When a claimant ordered before a board finds less than a full board present, he may, if he desires, refuse to be examined and appear later before the full board. Should he be willing to proceed without a full board, the secretary of the board shall specify by name on the certificate of examination the members of the board present, and the applicant shall subscribe a certificate on the same paper as follows: "I, _____ the applicant for (increase or original) pension referred to in this medical certificate, hereby consent to be examined by Dr. _____ and Dr. _____, the examining surgeons here present." By such certificate the claimant will be held to have waived the privilege of the statute relative to examination by a full board.
