President's Corner

This time of year is my absolute favorite time of the year - It's family friends, traditions, decorating, making candy and giving. Making gifts for friends and family is an expression of love and a way for me to show just how my friends and family mean to me! -

Our nominating committee is still currently seeking a new president of the guild, and an opportunity quilt spokesperson.

Hope you are enjoying this cool weather we have finally been gifted with and hope to see you at the November meeting! -
Dani
