

RAMSEY BAY MEMORIAL SITE

We should all be very proud of our Memorial Site located between the community hall and the lake at Ramsey Bay. Many individuals have been involved over the years in getting the site established and completed to the stage we can all appreciate both the beauty of Weyakwin Lake and the memories we have shared over the years with those whom we remember at this location.

If you wish to order a plaque for the Memorial Board in remembrance of a deceased friend or family member who was a cottage owner here, please use the contact form on our website. The current cost of an engraved plaque is \$30. Each plaque is engraved with one name to keep them consistent with past practice.
