# Room Mom Newsletter

October 17, 2006

Hello Parents! The Kindergarten Room Moms (Keri Curtola, Robin Cramer & Dina Vigil) have developed a Room Mom Newsletter to keep you informed of upcoming events pertaining to the Kindergarten class--party information, the auction class project, the faculty luncheon (we're responsible for hosting one luncheon), the End of the Year Fun Day, the Teachers' gifts and any other event that may arise throughout the year.

This newsletter will cover:

1. Information on 3 parties for the year (Halloween, Christmas & Valentine's Day) and division of families by party
2. Halloween Party Details

1. There are 3 major parties scheduled for the year--Halloween, Christmas & Valentine's Day. We have divided the families into 3 groups so each family will be assigned to one party. *Please note: this list will rotate each year!!* If you are assigned Halloween this year, you will not be assigned Halloween next year. That way, all families will have an opportunity to work on different Holiday parties throughout their child's time at St. Dominic's! Of course, if you would like to work on all 3 parties, you are welcome to do so!
