

To the GWGSA softball coaches,

While it is yet the middle of winter the upcoming spring softball season is fast approaching. The GWGSA board is putting together a list of prospective coaches for the 2017 season by contacting last year's coaches and some new ones. If you and/or your assistant(s) are interested in coaching this year, we would appreciate hearing from you.

Here are the scheduled events for the upcoming season:

Field Day	March 11th—Season field prep begins at 9:00 am
Skills Assessment	March 25 <sup>th</sup> —10:00 am Make-up date is the 28 <sup>th</sup> at 5:30-7:00 pm
Draft	March 30th—6:30-8:30 pm
Coaches/players clinic	April 15 <sup>th</sup> —10:00–3:00
Rosters to coaches	Second week in April

Season game schedule kicks off with a jamboree on Mother's Day weekend and ends Father's Day weekend. Regular season scheduled games are on weeknights.

We would like your input for an upcoming coaches meeting that is not on the schedule above. Also, please email or call me with any concerns, ideas for training, or other issues related to the coaches and players clinic. With your response would please include the age group you are interested in coaching and any other changes if you were involved last year.

We want to honor your commitment to volunteering by providing the best experience possible for the coaches, players and their families. We look forward to hearing from you.
