Your Initial Response will Help us Now!

Please respond to this email with the possible number of piano students you plan on entering in the Sonata/Sonatina Spectacular event. If you are interested but do not have an estimate of participating students, please let us know that you do plan on entering students, but do not have a final count.

Volunteers ("Many make the load light.")

Volunteers are needed to help make this event run smoothly. This is an easy event to help with and a great opportunity to meet other members and their students. This year, I would like to double up on volunteer positions so that everyone gets a chance to listen to student's performances. Volunteers should plan to arrive around 8:00 am, and, the event will end at 1:00 pm or earlier.

Please let me know if you would be willing to help. **Positions available are:** Registration Table, Music Table, Warm Up Room Monitor, Certificate / Medallion Presentation, Door Monitor.
