ARE ILLEGAL IMMIGRANTS DESTROYING AMERICA?

An Immigration Attorney's Unique Insights
on Protecting the United States

Tax-paying American citizens are at odds over the widely discussed immigration dilemma. Many believe we should accept those with open arms, who desire to make our nation their home, while others feel we are an over-stressed bridge on the verge of collapse. Who is right, who's wrong - are there any absolute answers to this emotional caldron?

Author and immigration attorney, Marcus Jarvis, has over 14 years experience working with individuals seeking citizenship, and US visas, and has a unique and informed perspective on how America can protect herself, while still integrating his unique form of acceptance and tolerance. Marcus' book, "A Simple Guide to The Immigration Laws of the United States" is available in six languages on Amazon.com, in print, audio and ebook.

I would like to express my sincere thanks to the law firm of Marcus Jarvis, Jarvis & Associate LLC. Mr. Jarvis was able to guide me throughout the entire application process for my adjustment of statuses with immigration in the most efficient and professional way possible!

~ Amilcar and Jennifer

David and I would like to take this opportunity to express our heartfelt thanks to you for all your help and advice in our immigration case. We found your service and professionalism exceptionally outstanding. Both my family in London and in the USA have asked me to pass on their sincere appreciation for your efforts in this matter.

~Nazmin

You made our dreams come true. Five months ago, I had abandoned my residency. Today I have my residency card and the possibility of being a US citizen. All thanks to your efforts and support through this process. it is people like you that make the American dream possible.

~Juan & Jenia

I want to say thanks to you every day of my life.. You gave a meaning to my life and gave me a second chance to be with my son. I have no words to explain how much I appreciate everything you have done for me.
