Today's tournament will be an **ORANGE BALL SCRAMBLE**

- Each member of the team tees off from the starting hole.
- Orange Ball Format: Each player within the foursome plays the orange ball on a hole by hole rotation through the group.
 - Player A Holes 1,5,9,13,17
 - Player B Holes 2,6,10,14,18
 - Player C Holes 3,7,11,15
 - Player D Holes 4,8,12,16
- The other 3 golfers not playing the orange ball on that hole play a 3 person scramble. Scramble score + Orange ball score = score for that hole.
- The best tee shot is chosen through general consensus of the team. The group can decide the best tee shot based on any criteria they choose.
- Players pick up their golf balls and hit from the best tee shot.
- Team members continue selecting the best shot until a player hits the ball in the hole. The team score is the total of the best shots.
- The team must finish with an Orange Ball and turn it in with your scorecard at the Pro Shop to be eligible for the grand prize.
- **Lost Ball: If the Orange ball is lost during play, you may purchase an additional orange ball for \$20 (limit 3 per foursome)**

The team with the lowest 18-hole score will be awarded a certificate for a foursome round of golf at Boone Creek Golf Course!

Ways to Improve Your Score

- **Licorice Rope - \$10:** Only a short distance from sinking that putt? Use a length of your licorice rope to take-off that extra stroke and make the shot. A ball may be moved the length of the rope or less. If less than total length of rope is needed, tear off the desired length and save the rest for another hole. Only the remaining amount of licorice is available to use on a future shot. Limit 1 per golfer
- **Bubble Gum Mulligans - 5 for \$20:** Need to call a redo? Have a piece of gum and we'll pretend that never happened. Limit 5 mulligans per team

Drop Raffles

Before dinner we will be selling raffle tickets for our drop raffle items. **6 for \$5 or a Wingspan for \$20.**
