

The McCleskey Bands

August 30, 2019

Dear Parents,

The McCleskey Middle School Bands will be kicking off our annual fundraising program on Friday, August 30. This fundraiser is a major source of funds we use to meet the needs of our students and the band program. Proceeds from this fundraiser will be used for purchasing music, instruments and equipment, bandroom supplies, enrichment opportunities, student recognition, staff development, and for hiring specialized instrumental instructors to work with students. Our goal is to raise \$15,000 for the band program in this one campaign. We will be able to reach this goal if each family sells 10 or more items.

A packet of information will be sent to you by way of your band student on Friday, August 30. The product we selected has been quite popular in this community over the years. Please look this packet over carefully. It will include a product brochure and an order form, complete with ordering instructions. **In the interest of your child's safety, we do not advocate students selling door-to-door, so please make this a family project.**

The fundraiser will run from August 30 through September 12. All order forms will be due on Thursday, September 12. We anticipate the product being delivered the week of October 14. We will notify families when the exact delivery date is set. *All monies must be collected when orders are taken.* **No orders will be accepted without advanced payment.**

McCleskey has a policy for collecting fundraiser money. ***Each student's parents are asked to turn in cash or write one check/money order to "McCleskey Middle School" for the total order amount.*** Parents who choose to turn in large amounts of cash are asked to bring it to the school personally rather than send it by their student. *All cash and checks are to be turned in to one of the money collection boxes in our school in a Cobb County money collection envelope.* *Please make sure your child writes their full name, homeroom teacher, "BAND FUNDRAISER" and total amount enclosed on the front of the money envelope.*

We are very excited about being able to limit the fundraising for our band program to one annual event. We are grateful for everything that you do as parents, from volunteering your time with the fundraiser to paying for private lessons. You are the key to the success of your student musicians and of the McCleskey Bands.

Sincerely,

Jody Miller
Director of Bands

Andrew Paller
Assistant Director of Bands
