Current Best Bets

Expect lines to move throughout the week.

2★ (209) Arizona St -2.5 over UCLA. We'll back the Sun Devils off the worst loss of the Herm Edwards tenure so far (21-3 at Utah in the rain last week). The Sun Devils defense is by far the best unit on the field and ASU is +0.65 yards per play (No. 47) vs UCLA's -1.05 (No. 112).

1★ (110) Purdue -7.5 over Illinois. We don't mind playing against Illinois off one of the biggest upsets in Big Ten history (+30.5 over Wisconsin). We're also playing on what we feel is a surging Purdue team that's finally adjusted to all the injuries that hampered them early in the season.

1★ (153) Washington St +15 over OREGON. We're playing on a Washington St team that has covered 9 in a row vs the Ducks by an average of 16.3 ppg. We're also playing against Oregon off their big dramatic win over Washington last Saturday.

2★ (261) Philadelphia +15 over BUFFALO. After their blowout loss to the Cowboys last night, we think this is a "buy low" spot for the Eagles in what is a "must win" spot for them.
