BUILDING FEE SCHEDULE

Authority

The Building Department provides Franklin Township with inspection and enforcement to ensure safe structures. The standards applied are those of the Ohio Building Code (OBC). Authority to enforce the OBC was granted to Franklin Township effective the 13th day of June 2011 by the Ohio Department of Industrial Relations, Board of Building Standards, and by Board of Trustees Resolution No's. 10-204, 10-205, and 10-206. The OBC regulates all construction types and uses except for residential one-, two- and three-family structures. The Franklin Township Building Department enforces the OBC through its contract with its Consulting Building Official who serves as Chief Building Official and provides plan review. The Consultant serves as Administrator of OBC compliance purposes and makes all required inspections. For all items inspected by the Building Department, the applicant must provide four sets of document and a non-refundable deposit of \$150.00. Fees are due and payable upon receipt of approved plans or notice during construction.

Part 1 – Plan Examination Fee: Plan Examination Fee will be assessed according to the following schedule and will cover the cost of plan review by the plan examiner: \$75.00 / hour plus \$100.00 Township Administration Fee

Part 2 – Permit Fees: New Buildings, Additions, and Renovations

1. Permits for new buildings, additions, and renovations to existing building shall be issued to include only the work shown on the approved plans or specifications.
2. Fees for the new buildings, additions and/or renovations to existing buildings shall be based on floor or surface area to be computed as follows:
 - a. All floor or surface areas including garage, and basement and floors measured to the outside dimensions at each floor level.
 - b. Crawl spaces and attic areas shall not be included.
 - c. In buildings or areas where there are not walls, the area enclosed by the outside dimensions of the supporting columns shall be included.
 - d. In buildings or areas where a roof is supported by a single row of columns, the horizontal projected area of the roof shall be included.
 - e. Square footage fee schedule applies to areas of work for addition and renovation projects.
