Jesse Ventura interviews Dr. R Duncan

23:22 RD ...the government's doing this to them...they're called "Voice

of G_D" weapons... 23:35 JV ...weapons that you worked on-they're

being used domestically today... RD Absolutely. 23:49 JV... going back

to MKULTRA...we were told all that stopped-is that untrue? RD

Untrue....programs continue under new names, new budgets...ultimate

weapon... 24:10 worse than abuse...they're being tortured... JV...So, the

Targeted Individuals aren't crazy after all...

24:42 RD ...easily could be broadcasting across the Country messages

to people and causing them extreme pain...That's part of the whole

world domination strategy – control the population from

subconsciously to consciously... 25:17 JV...So, these are people within

our government at a certain level makin' these decisions and they're

not necessarily our president or our elected officials... RD That's

exactly right....They can't be removed and they're difficult to find...

26:31 JV ...every one of us should be in fear of this because everyone

of us at some point will be targeted...? RD The technology's advanced

that far...
