**THE FEAST OF THE ASSUMPTION** is a very old feast of the Church, celebrated universally by the sixth century. Celebrated every year on August 15, the Feast of the Assumption of the Blessed Virgin Mary commemorates the death of Mary and her bodily assumption into Heaven, before her body could begin to decay—a foretaste of our own bodily resurrection at the end of time. Because it signifies the Blessed Virgin's passing into eternal life, it is the most important of all Marian feasts and a Solemnity.
