

Getting to Know You Questionnaire

Dear Family,

We look forward to developing a partnership with your family in our program. You provided us with a lot of important medical and contact information during enrollment. We'd like to ask you a few more questions that will allow us to get to know your child and you a little better. **Please let us know if you have special considerations such as handicap access or translation services.** Our goal is to do the best job we can do, welcoming your family into our program and creating a comfortable environment for your child. Would you kindly take a few minutes to complete this questionnaire and bring it with you to your "Getting to Know You" meeting with your child's teacher?

Thank you kindly,

The BVS Team

Child's Name: _____

1. Does your child have a nickname? Please provide it if you would like us to use it.

2. In what language(s) do you and your child communicate at home?

3. Is there information about your family composition or household members (including pets) that you would like to share?

4. What are some of your child's favorite things? Any special techniques for helping to calm them when they are upset?

5. Are there cultural or religious holidays that your family observes that you would like to share with the program? (Please note our classroom teachers would love to partner with you to celebrate these within the center)

6. What are your child's toileting and napping behaviors? Do you use any specific language to refer to going to the bathroom?

7. Does your child have any special needs, considerations, allergies, or dietary restrictions?

8. What are your child's favorite foods?

9. Is there anything else you can share with us about your child that will help us ease the transition for your child?

10. Is there anything else you would like to share about your child, you or your family?
