**Dear Tim, con't.**  
**September 2018 Sermon Series**

Paul now shifts focus in his letter: from leaders of the church to the head shepherd of the church, Timothy himself. What things should a pastor care about the most when it comes to leading the church? And what role do those who attend play in seeing that get accomplished?

**Sept 2                      Get to the Point, Already!                      1 Tim 4:6-10**

Ever sit through a very long (and boring!) sermon? Besides every week, you're thinking! And you just wish the pastor would get to the point? That's actually what Paul tells Timothy a good pastor does, but be careful: you might not like the point at all.

**Sept 9                      Act Your Age                      1 Tim 4:11-16**

Timothy had a problem that no matter how hard he tried, he alone couldn't fix: his age. Some in the Ephesian church looked down on Timothy because of how young he was. So what does a young pastor do when people disregard him for his age? Simple, do five simply complex things and it will solve everything! (Not really, but still...)

**Sept 16                      The Company You Keep                      1 Tim 5:1-2**

Pastors are called to interact with people of all ages, from newborns to...everything else. Every age group expects something from the pastor, but Paul warns Timothy of how he needs to treat everyone of every age that he comes into contact with. A pastor doesn't just leave an impact, he leaves a legacy.

**Sept 23                      Family First                      1 Tim 5:3-10**

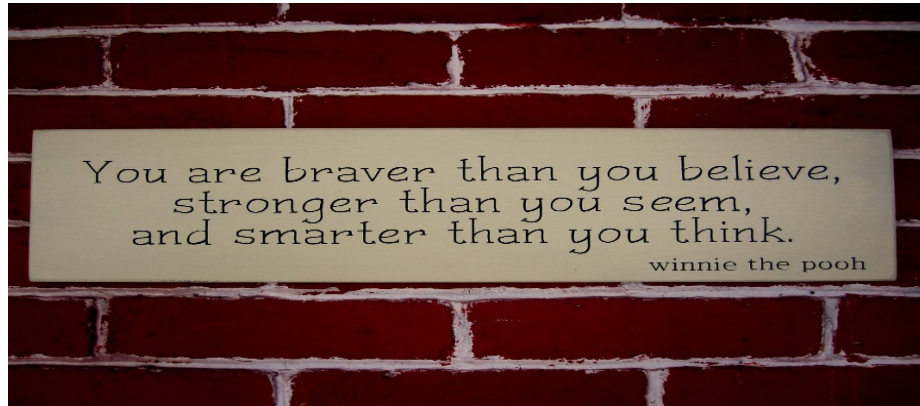

Paul now makes it clear what responsibility the church has to widows, but not until he makes one thing known: family comes first. Who do you think should do the most for someone in need? The church? Or their own family? For the Christian, the answer is simple.

**Sept 30                      5th Sunday Celebration!**

It's time to celebrate! No Sunday School or Children's Church, and a carry in lunch to follow a fun worship time together. Who can you invite to this fun morning?

### Operation Christmas Child 2018

For the month of September we will be collecting

Shoe boxes also welcome! Thank you!

*When asked what the most important commandment was, Jesus said that the greatest commandment is to "love the Lord your God with all your heart, and with all your soul, and with all your mind" and the second to "love your neighbor as yourself". Jesus was then immediately asked who counts as a neighbor and he responds with a parable, or a story lesson that is an example for everyday life.*

*Walk for Life 2018 ~ Sunday, September 16<sup>th</sup>.*

*This year's Theme is simply "LIFE" written in Greek. We want to get back to the fundamental issue at hand which is the sanctity of all life, born and unborn! With the expansion of the facility, and the addition of the ultrasound clinic and its medical staff, the PLC Health Clinic is now able to better help those faced with the decision that could save a baby's life, and support the families during the raising of those children. The clinic has touched the lives of many families, and its Christian influence has been implanted in many hearts! Your generous support has made all the difference!*

*Thank You & God Bless!*
