Subject: RE: Agreement for Public Library System Funding (2019)
Attachments: One Year MHLS Library Contract_w Union Vale Sept 2018 FINAL.pdf

Dear Rebekkah:

After further consideration, the Town Board would like to change the terms of the *Agreement for Public Library System Funding* to a one year agreement. The revised *Agreement*, which the Town Board has authorized me to send to you, has removed references to “three years” but commits the Town to the same first year sum of \$76, 407. We request that the libraries consider our offer and authorize you to return the executed document to us by September 25th, 2018.

If the libraries decide not to execute the contract for one year, we will include a Proposition on the November 6th ballot asking our residents to let us know if they want us to agree to the terms as you communicated them in Draft #2 (i.e., \$76,407 per year, “minimum 2% increase or the rate of inflation....”, with an “Annual Report to the community” instead of the one page list of active Union Vale cardholders held in the four libraries). We will be pleased to act on behalf of our residents in the way they feel most comfortable and prefer.

Thank you for coordinating this effort. If there are any questions, the phone lines are always open.

Sincerely,

Betsy
