Audition Information

General Info

- All children must register first at www.wdltproductions.com.
- Anyone interested in a speaking or solo vocal part must audition.
- If your child only wants to be in the ensemble, **no audition is necessary**. Just register!
- **NEW THIS YEAR:** Everyone auditioning will first submit an audition video via **Flipgrid**. This is a free, safe service used in schools world-wide. Only the directors and production staff will have access to the audition videos, and all videos will be deleted once casting is complete. You must have a Gmail or Microsoft e-mail in order to submit a video.
- For help using Flipgrid, visit: <https://help.flipgrid.com/hc/en-us/sections/115000629634>
- This year, please limit the videos to only contain the required elements. No dancing, story-telling, or other types of performances are needed.
- With all the extra time at home due to NJ schools being closed, why not submit your child's video early!
