GAGC Q&A

Q. Can I send an eGift card that I purchase on Shop with Scrip as a gift? How?

A. Absolutely, as long as you're logged into ShopWithScrip.com. Send an eGift card directly to someone's inbox to surprise them with a special gift. The recipient will receive an email with a personalized note you can write, then they follow a link to view and print their eGift card. They can use it to shop online or in-store.

To send an eGift card as a gift, choose an eGift card and at checkout, select the box next to "Make this a gift?" You'll be prompted to enter the recipient's name and email address. Add your name and a personalized message, and select when you'd like the eGift card delivered - whether that's immediately or on a specific day, like a birthday or anniversary.
