IN THIS ISSUE

## Welcome!

Hello Andover Glenn! The board hopes you are having a wonderful Spring thus far, despite the whirlwind frost that came upon us recently. We are excited to share with you some upcoming events and updates from the board.

## Upcoming Events

### August Summer Picnic

The Summer Picnic is BACK at the Andover Glen Park! It will be hosted on Saturday, August 20th starting at 11:30am. Be on the lookout for more details coming soon, but be sure to save the date!

### Trash Talk!

Come one, come all (and come early). A reminder that AG Dumpster Days are coming to you Friday, June 10th - Saturday, June 11th.

The dumpster will be located on E. Layton Drive, next to the entrance to AGHA Park on Friday and Saturday.

Please be courteous and do not overfill the dumpster or leave items on the ground next to the dumpster.

Please fill the dumpster from the back, going forward to the opening.

## Neighborhood Notes

### Grounds and Grass

We have also been busy with upkeep to the grounds including fence repair of a large section that was blown down in the recent storm; repair of the brick monument on South Dillon Street as well as repairs to the front entrance wall; and we'll be removing the wooden tool shed in the tennis court and replacing it with locking bins.

We have some of the most fabulous lawns in town! But, let's keep our grass green while being mindful of water use. Aurora recommends not watering between 10 a.m. and 6 p.m. Watering vegetable or flower gardens by hand is allowed during those times

## Architectural

A reminder that any changes OR improvements to any part of your house (front or back) within the HOA does require an architectural change request form submitted to Dave Estes.

Example: Even if you are patching roof or mending a fence.

### Neighborhood Watch

Mail:

We have seen some recent reports of mail theft. Many neighbors are opting into locked

mailboxes! An additional way to support mail security is signing up for [Informed Delivery by USPS](#) so you can preview your mail and packages coming through!

Cars

Last month, there was a pick up truck checking the doors of cars. Additionally, there was a car theft recently in the surrounding neighborhoods. Please be sure to keep your cars locked!

### Andover Glen Entrance Landscape Project

We are in full swing with our new landscaping company, Emerald Isle.

The Board has approved a "redo" of our front entrance by the AG monument. We are really excited to see the finished project in June and we hope you are too. A huge thanks to Lynn Walton who has hauled a ton of rock (pun intended) to get this in motion. See below a schematic of the tentative plans for the project! Feel free to email her directly if you have any questions about the project or any concerns regarding AG grounds. ([lwalton80015@comcast.net](mailto:lwalton80015@comcast.net))

Have a wonderful Spring!
