

CORAL REEF CPR: FACTSHEET

Reef-friendly practices: You can help!

BRING HOME ONLY MEMORIES - LEAVE NOTHING BEHIND

Take as many photos as you like but leave all marine life, including coral, where it is

Avoid feeding marine life

Do not anchor on corals- use mooring buoys or anchor on sandy bottoms

Do not leave any rubbish behind; use reusable water bottles and recycle

Do not stand on coral; maintain neutral buoyancy if scuba diving

Do not touch coral or marine life

BE REEF SAVVY

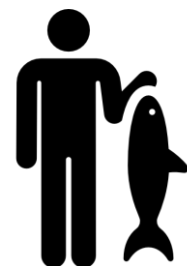

Use reef-friendly sunscreen

Do not spearfish

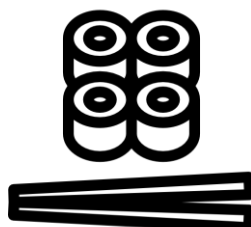

Understand and follow local regulations

Do not buy souvenir coral or shells

Choose sustainable seafood

Become an ambassador and spread awareness and importance of reef-friendly behavior!
