

Lifetouch supports your
give back efforts

GIVING BACK

Lifetouch understands the importance of reaching out to your community in times of need.

When your organization arranges a food drive in conjunction with your Lifetouch photography program, Lifetouch will offer your families a coupon for \$5 off their upcoming portrait order in exchange for their food donation. This Lifetouch program is available year-round. Almost 500,000 coupons have been redeemed since 2009.

Together, let's partner to provide a successful giveback program for your community and capture memories for your families.

FEED THE NEED

CO FNFD
