

# ALL VETERANS MEMORIAL

Dear Commander,

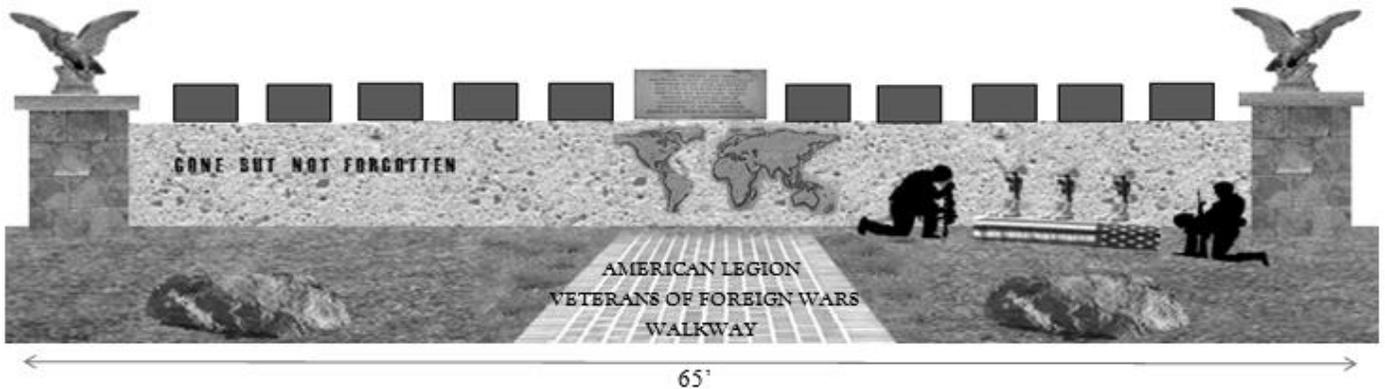

We are proud to announce that the All Veterans Memorial, one of New Jersey's premiere veteran parks located at Turkey Brook Park in Mount Olive Township will be completing the final phase to our multi-purpose complex and we are respectfully seeking your support. As our 'American Exceptionalism' campaign nears completion and as a show-of-gratitude to our heroic warriors we are creating a place for you; a place that represents unity amongst brothers of different eras, wars, regions, service, and branches.

Please note below, a "sample" artist rendering of the proposed Veteran's Remembrance encampment. Our canvas is an existing (blank) 60' x 6' concrete wall that is surrounded with an imposing view of the WWII era French style Seward Mansion, a reflection pond, and a rocky terrain war dog memorial. Today, we are asking all NJ veteran organizations to provide any suggestions or idea's you may have or like to see included into the design, in addition to adding your Post's paver to the **NJ Veteran's Allegiance Walkway**.

Our goal is to achieve 100% participation from NJ's American Legions, Veterans of Foreign Wars and the Vietnam Veterans of America's. Your presence will demonstrate the true testament of the eternal bond among all U.S. military branches and organizations. Paver application(s) deadline is March 15, 2017. A list of participating Posts and updates can be viewed on our website: [www.allveteransmemorial.org](http://www.allveteransmemorial.org)

Reserve your distinctive 4" x 8" paver today by completing the application below and enclosing a \$100.00 check or money order to:
