Due to COVID-19

All patrons must wear a mask when entering the library (covering your nose and mouth).

We are taking the necessary precautions to keep the library clean. Each computer station is sanitized between each use; we have hand sanitizer readily available, and we clean the library each night when closing.

Each patron that walks into the library is signed in for contact tracing. If we'd receive a call about possible exposure, we'll take the appropriate steps to ensure everyone's wellbeing.
