NCJW Florida 2018 Ballot Initiatives Voting Guide

Ballot Amendment	NCJW Position
Amendment #1 Increases the Homestead Tax Exemption which could lead to cuts to local services	NO
Amendment #4 Restores voting rights to 1.4 million Florida Citizens	YES
Amendment #5 Requires a supermajority to pass laws on taxes or fees making it nearly impossible to close corporate tax loopholes	NO
Amendment #6 Upsets the constitutional balance between the rights of victims and people accused of crimes	NO
Amendment #9 Prohibits oil drilling beneath waters controlled by Florida and vaping (e-cigarettes) in indoor workplaces.	YES
Amendment #10 Limits home-rule	NO
Amendment #11 Deletes an unconstitutional, anti-immigrant provision and may reduce mass incarceration by allowing criminal justice reforms to apply retroactively.	YES

* NCJW has not taken a position on amendments 2 & 3 or amendment 7, 12, & 13.

**Amendment 8 has been removed from the ballot.

VOTE YES ON AMENDMENT 4

Currently, 1.4 million Florida citizens are denied the right to vote. This includes more than 10,000 military veterans and 1 in 5 African Americans. Florida is one of only 4 states in the nation with such a lifetime ban on voting.

Amendment 4 would restore the eligibility to vote to Floridians who have completed all terms of their sentences, including probation and parole. This would not apply to those convicted of murder or sexual offenses.

As Jews, we recognize the importance of a second chance, that a person's whole life should not be judged by one mistake. It is only fair that those who paid their full debt to society be allowed to return as full citizens to participate in our democracy.

There are 3 ways to vote in Florida

- **Vote-by-Mail:** You can request a Vote-by-Mail ballot online, by phone, or by mail from your county Supervisor of Elections Office (SOE) or at <http://dos.elections.myflorida.com/supervisors>
- **Early Voting:** Early voting starts between October 22 and October 27.
- **Vote on Election Day at your Polling Station:** Election day is Tuesday, **November 6th, 2018**. Polls are open 7 am-7pm.

PROJECT HOPE CAMPAIGN OUTREACH

Good news! We have three new trainees: Sue Spector, Nancy Guss and Ellen Sherman. And Sue even managed to attend our recent outreach event.

There have been some recent procedural changes and new involvement as we work toward partnering with the Place of Hope. We have 10 regulars, and still have 6 more people who have expressed an interest in being trained. With a total of about 20 people we will be able to open a few new routes around Boca and Delray. We've established friendships with the desk clerks at these local motels, and have really gained their interest in working with us to help find missing and exploited kids.

Our next training will be on *Tuesday evening, November 6th at 6:30PM - 7:30PM* at Place of Hope, 21441 Boca Rio Road, Boca Raton.

Our next outreach is *Saturday, November 10th, at 1:15 PM* at Starbucks on Yamato Road and Congress Avenue.

Come join our regular "outreachers" for a really rewarding experience: Ellie Mero, Susie Gamer, Helene Grantz, Susan Kanoff, Judy Fish, Gail Weinbrum, Alexis Pinken, Carole Valera and me.

GUN SAFETY

Things are finally happening with gun safety. We are going to work the League of Women Voters on two projects. One is a bipartisan campaign to get a ban assault weapons amendment (BAWN) on the 2020 ballot. This will require getting petitions signed and educating the public.

The second project is called Lock It Up. We will be distributing gun locks to gun owners and educating the public on the need to safely store guns. I will be getting more information from Martha Vinson, chair of LWV's Gun Safety Committee.

If you are interested in joining our group, please contact me at:

COMMUNITY SERVICE

Thanks to Marsha Lotstein and her team we now have two schools stocked with our Kid's Community Closet emergency clothing and we're expanding. We provide school time replacement clothing that the child takes home and keeps. We would like to add two more schools, so we welcome more volunteers to shop and maintain the inventory at each closet.

We will be looking for volunteers interested in making presentations to high schoolers preparing to enter the work force. Ruth Rales Jewish Family Service has a program called WTOF -Working Towards Our Future, to assist students with preparing resumes and honing interview skills. For information contact me.

We need a liaison/chairperson to help set up a program with AVDA, Aid to Victims of Domestic Abuse to collect gently used clothing and household goods. And that's not all!!! We are truly a force to be reckoned with!!!

Do We Need A Miracle?

The Federal Courts and the Second Amendment

December 5, 2018, 5-7 pm
Featuring Hannah Shearer from
Giffords Law Center to Prevent Gun Violence

On January 8, 2011, a gunman attempted to assassinate Congresswoman Gabby Giffords while she was meeting with her constituents at a Safeway supermarket near Tucson, Arizona. Rep. Giffords survived a critical head injury, but six other people were killed that day. Two years later, she started a political action committee to promote gun safety legislation. Giffords Law Center to Prevent Gun Violence has become the nation's leading policy organization dedicated to researching, writing, enacting and defending laws and programs proven to save lives from gun violence.

We are excited to welcome Hannah Shearer, Staff Attorney and Second Amendment Litigation Director for Giffords Law Center to speak to us about the role of the federal courts and the Second Amendment. If we manage to get legislation in Florida that puts restrictions on semi-automatic weapons or public carry of weapons, or requires more background checks, will these pass muster with the courts? Do we need a "miracle" to make our country safe from gun violence?
