# President's Report

**By Ken Gordon**

We survived January and I hope the little rodent in Wiarton predicts an early Spring for all of us Corvette Enthusiasts.

A handful of members will be getting our Vettes out of storage to participate at Motorama (March 9th - 11th). Brian Lindow is looking for members to help with the setup of the display area including manning the booth over the weekend. If you can volunteer your time please contact Brian (647-237-8209) or me (289-923-8333). We'll have flyers to hand out promoting our DreamVettes Show in June. Always a great weekend so please try to come out to the International Centre.

Once again Jan & Dave Raven organized a Barrett-Jackson afternoon last month and everyone in attendance appeared to have a great afternoon at Hops House. Good food, prizes and 50/50 (that I won). The Ravens, of course, can't stop there. They are graciously opening their home to all Club Members to enjoy an afternoon of lots of food, raffles & bar to bring awareness to The Heart & Stroke Foundation. Terry & Doreen Nodwell (who know all too well the importance of awareness and gratitude) have generously donated raffle prizes for the Party. You'll find more info in this newsletter and hope to see you there.

It's never too early to start talking about DreamVettes. As I mentioned, we'll be handing out flyers at Motorama and thanks to volunteers, things are in motion.

I am also arranging the 3rd Annual Boyer Display Event for Saturday June 2<sup>nd</sup>.

Our next General Meeting will be at Amici's on Wednesday February 21<sup>st</sup> with guest speaker Tariq Azam from Scotia Wealth Management.

See you there!

Ken

**Corvettes of Durham** was established in 2000. We meet on the third Wednesday every month at 7:30 pm. During the summer months, we arrange 'offsite meetings' and cruise to different locations. If you have a favourite restaurant, suitable for a meeting, please let the Social Convenor know.

We start the month of February with 32 membership renewals. Thanks to many of the renewing members for indicating their willingness to assist with social events and shows. 2018 promises to be another fun-filled year for members and I encourage those planning to renew to do so prior to March 31.

The 2018 membership list will be circulated in April.

We have two new prospective members and their spouses joining us for the February meeting and I encourage everyone to give them a big welcome.

## Hi Everyone!

On February 10<sup>th</sup> David and I are hosting an Open House for the benefit of the Heart & Stroke Association. The Invitation flyer is elsewhere in this newsletter.

Doreen and Terry have donated the most beautiful raffle prizes and Doreen has figured out little games to play and provided all the prizes. My dining room is a sight to behold right now!!

We've only invited Club members so we will all know each other (but if you have a sister or uncle who want to come, please bring them along with you). I'm only expected to raise \$250 so it's really just a party at our house.

Any questions, or directions to our house, please contact us by email: [furryface@powergate.ca](mailto:furryface@powergate.ca) or (905) 852-1233. Thank you for your support.

## Corvettes of Durham Social Report

by Jann Langlois

### Barratt Jackson Auction Party

January 20<sup>th</sup> found approximately 22 members enjoying food, libations, and Barratt Jackson Auction Fever at the Hops House in Whitby. An exciting time of fun and friendly rivalry as we all tried to guess the auction price of some very fine vehicles. Rave reviews and many thanks to the organizational skills of Jan and Dave Raven as we competed for prizes and bragging rights to correct guesses!!!

### Casino Day

The date is set, the bus is ordered for February 25<sup>th</sup> to Fallsview Casino Niagara Falls! We leave Oshawa around 8:00 am, returning about 7:00 pm. Cost is \$20.00 per person and includes a gigantically enormous lunch buffet as long as you bring your Government Issued I.D. (Driver's License, Passport etc.) This will be sooooo much fun for those C.O.D. members and friends on this trip. The RSVP date (January 25<sup>th</sup>) has passed, but there are still a few bus seats left. Please contact Jan at [furryface@powergate.ca](mailto:furryface@powergate.ca) or Pauline at [paulineedwards17@outlook.com](mailto:paulineedwards17@outlook.com) if you wish to join us.

On a personal note, Ron Langlois recently returned from Florida (January 9<sup>th</sup> to 15<sup>th</sup>) where he spent his time expertly judging Corvettes. Thursday, he judged five 1960's and on Saturday he judged two 1961 to 1962's. He is currently at 338

points and going for his 400 Level NCRS Judging Award. This is the highest level of judging expertise in the National Corvette Restorers Society. Go Ron!!! When not judging these amazing original beauties, he was at the Mecum Auction watching many of those 3500 outstanding cars cross the auction floor and go to excited new owners.

# Heart & Stroke Open House

Saturday, February 10, 2017

1:00 p.m. to 4:00 p.m.

at

39 Foxfire Chase, Uxbridge

This year, I offered to help raise funds for the Heart & Stroke Foundation for awareness. David and I have both benefited from the organization's research and education.

Survivor stories of our friends and fellow club members will be displayed. Some of these stories are fascinating and we all lived to tell them.

Terry and Doreen are donating some beautiful raffle gifts. There will be lots of food and the bar will be stocked. We'll have prizes and draws throughout the afternoon.

In order to receive a receipt for tax donations, I will be selling tickets for the raffle gifts and the bar as follows:

7 tickets for \$ 10  
15 tickets for \$ 20  
30 tickets for \$ 35  
50 tickets for \$ 50

If you don't need a receipt, any amount will be appreciated and we are happy to see all of you.

100% of the proceeds will be donated to Heart and Stroke.

We hope to see you.

February, 2018

In approximately 2 to 2  $\frac{1}{2}$  months we should all have our Corvettes out of deep hibernation and preparing them for the upcoming cruises, car shows, charitable events, fellowship, Corvette racing and many other Corvette events.

One of the first events at the National Corvette Museum is the Michelin NCM Bash April 26 to April 28. We will be attending this event and I hope others will join us in Bowling Green Kentucky.

Registration is now open for the **2018 Michelin Bash**. The Bash traditionally marks the rollout of the next model year Corvette and the NCM is the place where you can see them up close and in detail, and get all the latest information on the all new ZR1 Corvette.

There are numerous seminars and sessions to choose from along with guided road tours, two celebrity choice car shows and the Garage Party led by women of the GM Corvette Team and geared toward ladies only. The Corvette Racing team with Team Manager Doug Fehan are back this year, as well as a presentation on the restored 1962 Sinkhole Corvette and an LT4 Engine building demonstration by Bowling Green Assembly Plant personnel.

On-line registration closes at 8:00am central time on Tuesday, April 18 and activities are open to Event Registrants only. On-line registrants will receive a hardcard credential, lanyard, event pin and dash plaque. Lifetime registration is \$15pp, member registration is \$20pp and non-member registration is \$30pp.

To see complete agenda or register, [click here](#).

The **LeMans Viewing Party** on June 16-17 is another fabulous NCM event when the world's greatest car manufacturers battle at the 24 Hours of Le Mans race. The National Corvette Museum will be one of only THREE locations outside of France given a commercial-free, direct feed of the race.

Guests of this private viewing party will have 24-hour access to the Museum's Theater for the viewing of the race, access to view the race in the NCM

Conference Center (including Race Team greetings directly from the Corvette paddock), continental breakfast on Saturday, full breakfast on Sunday, lunch on Saturday, pasta dinner on Saturday, midnight ice cream sundae bar, cash bar Saturday night, snacks and refreshments throughout and drawings for memorabilia.

Space is VERY limited!

Click here for [Registration →](#)

People have said to us "we've been there and don't need to go back." To that, we say - *this* is the only marque that has a museum and race track all paid for and managed, through a Board of Directors, by Corvette owners.

We have met people from all over Canada, the continental United States plus Hawaii, Australia and Europe. Many have become friends we stay in touch with and get together with a few times each year.

We've also met many people from GM such as their Engineers, Marketing and Design people and several past and the current Plant Manager; also representatives from Mobile 1, Michelin tire and many others involved in the Corvette lifestyle. They always have the time to talk and answer any question. They also like to receive our feedback and many suggestions that people have made actually show up in regular production vehicles! We try to attend a couple events each year but it's not just about the car - it's about the people; the car is the vehicle that unites us!

And we cannot forget about the wonderful Museum staff who are always willing and able to assist with any questions, concerns or accepting ideas on how to improve different areas of the Museum!

Without the support of all Corvette enthusiasts we would not have this wonderful facility. So, come on folks, let's support our Museum!

Did you know that Corvettes of Durham, at one time, had the greatest number of Museum members out of all the Corvette clubs in Ontario!!

Your link to complete race schedules, results, news and a history of Corvette Racing from 1999 to the present is: <http://www.corvetteracing.com>.

**Roar Before the 24:** [Corvette Racing](#) left Daytona International Speedway early in January content with the results of its testing program following the annual *Roar Before the 24* and ahead of the opening race of the 2018 IMSA WeatherTech SportsCar Championship season.

The two Corvette C7.Rs logged more than 1,400 miles between them during the three days and eight sessions of track time. The packed schedule included a 15-minute qualifying session to determine assignments for the pit boxes and garages for the team's return on January 25-28 for the Rolex 24 at Daytona.

The *56th Rolex 24 At Daytona* was the start of the 2018 IMSA WeatherTech SportsCar Championship season and was the weekend where it all began in January 1999 for Corvette Racing!

Corvette Racing has enjoyed numerous successes in this program and, as a team, they have set the global standard in professionalism and performance. Drivers such as the current team as well as Ron Fellows and Johnny O'Connell have earned superstar status through their longstanding association with Corvette Racing. Did you know (*or remember*) that Dale Earnhardt and Dale Earnhardt Jr. raced for the team in the 2001 Rolex 24?

Program Manager Doug Fehan gave his presentation to a packed crowd in the Corvette Corral and was obviously in a good mood the morning after the [No. 3 Corvette C7.R captured Pole Position](#) in the GTLM class for Saturday's start of the 24. Drafting wasn't in the plans but Magnussen was able to get a tow from teammate Oliver Gavin in the No. 4 C7.R to vault him to the top of GTLM qualifying.

Corvette Racing is the defending series champions and the team turned in a mistake-free run in this 24-hour endurance race with the Corvette C7.Rs achieving third- and fourth-place class finishes (No. 3 and No. 4 respectively). This was the second Rolex 24 podium in two years for Magnussen, Antonio Garcia and Mike Rockenfeller after they finished second two years ago, and giving Garcia

and Magnussen positive momentum as they seek to defend their GTLM Driver Championship from last year.

In the No. 4 Corvette C7.R, Oliver Gavin, Tommy Milner and Marcel Fässler placed fourth and had a similarly clean run throughout Saturday and Sunday. Neither Corvette went off-track nor made any mistakes; all pit stops went smoothly...a hallmark of this program.

The next event for Corvette Racing is the *Mobil 1 Twelve Hours of Sebring Fueled by Fresh from Florida* on March 15-17 at Sebring International Raceway.

The entire Corvette Racing crew pose in front of their "bubble" (paddock) in pit lane.
