2019 - 2020 Report Card for The Autism Academy Of Learning

Districts and schools report information for the Ohio School Report Cards on specific marks of performance, called measures, within broad categories called components. They receive grades for up to 10 measures and six components. The 2019-2020 report card will not have grades or ratings. Limited data is available due to the coronavirus pandemic and ordered school-building closure.

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall. The data for this component is not available this year.

NR

Component
Grade

Progress

This component looks closely at the growth all students are making based on their past performances. The data for this component is not available this year.

NR

Component
Grade

Gap Closing

This component shows how well schools are improving or meeting the performance expectations for all students in English language arts, math, graduation and English language proficiency. The data for this component is not available this year.

NR

Component
Grade

Graduation Rate

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years. The graduation rates are available, and data was not impacted for the reporting years; however, the combined component

Ohio School Report Cards

NR Improving At-Risk K-3 Readers

Component
Grade

This component looks at how successful schools are at improving reading for at-risk students in grades K-3. This data is partially available this year. Year 4 data relates to tests taken in third grade, which are not available this year and therefore the overall measure is not calculated.

K-3 Literacy was not calculated for this school because there were not enough students to evaluate.
