

FROM THE PRINCIPAL'S DESK

Dear Friends of Sts. Peter and Paul:

Happy 2018! As we end 2017 and begin 2018, let us thank the Lord for our past blessings and pray that He will continue to help us do His will. Let us live as God intended us to live, in a world at peace. May we be aware of His love in every baby's smile, in every sunrise and every sunset, in every flower and in every raindrop, in every beat of our hearts.

It seems that it was only yesterday that we were making resolutions for 2017. Probably more of them are now forgotten. But as we continue to strive in our Christian life to be closer to Him, let us ask Him to help us discover His presence in the life that is ours to live.

A Very Happy New Year!

In faith, hope and love,
