### Bishop Seals Award

The Bishop Seals Award is dedicated to honor two of our past ADTSEA leaders of the Southeast. Richard Bishop and Thomas Seals; both nationally known Driver Educators who did extensive work in Traffic Safety at Florida State University in Tallahassee, FL.

The award is presented by the Executive Board of the Southeast Region Association when a member of the association has retired but continues to be active in the association; serving as an inspiration and a dedicated leader; both to the Southeast Region Association and the American Driver Traffic Safety Education Association. The award was first presented in 1993 in Knoxville, Tennessee to J.B. Angelo Crowe and Dave Sahler. Since then it has been awarded to many distinguished recipients.

### Tom Love Award

The Thomas M. Love award is given to honor Tom Love, a leader and one of the founders of the Southeast Region of American Driver and Traffic Safety Association, of which he was a board member from 1970-1972. Tom Love served as the first elected President of SERA for several years and also served for many years as its Executive Secretary. He was an active leader and member of the association until his death in 1990.

This award is presented each year by the Executive Board of the Association to a deserving member who has taken an active leadership role in Service to SERA- ADTSEA over the years.
