

Dear Sponsors,

*San Diego Air Cooled* and the **A.B.L.E. Club** want to say thank you for your donation in support of our Air Cooled Fiesta car show. At this time, due to current events, we will be postponing the show until further notice. We are returning your donations, as we do not feel it is fiscally responsible to hold your money with just the possibility of having the event later in the year.

We are currently working with Imperial Beach city officials to find a tentative date later in the year for our show. Once we have solidified a date, we would love to reach out to you again to see if sponsorship is something you would still like to pursue.

Thank You,

George Schissler

San Diego Air Cooled President
