REPORT OF PAYMASTER (AM Bellard): First is my financial report for the Department of Arizona. As I reported last year at this time, we cashed in our Scholarship CD in order to provide us with cash on hand to pay bills for the National Convention before any money was received for the convention. This money plus \$500 in “interest” has been returned to the Scholarship Fund Money Market Account.

In the past year we opened new accounts with Bank of America for funds needed to put on the Miracles for Hero’s Concert Tour and the money which was donated to the Department of Arizona. Currently all of the agreed to funds for the concerts have been paid to Yendis Entertainment and we are waiting for a final report on the results of the concerts.

Every year there seems to be a new challenge, this year it is with the replacement of the multipart forms with a downloadable PDF of each form. I am providing guidance to the Detachment Paymasters on how to work with these new forms. I also encourage each of the Detachment Paymasters to contact me if you need additional training

Next, it is time to register our delegates for the National Convention. I will be sending out reminders to each Detachment and I am ready to assist you in determining the number of delegates so that

each Detachment is properly represented and you have the ability to participate in the election of your National Officers. Total delegates will be based on the June 30th National Roster.

In closing, it is time to start thinking about the Paid Life Members Audit which will be based on the 6/30/2016 National Roster. Be sure that you make contact with each of your Life Members so your audit will be accurate. I would recommend doing your audit sooner than later so you do not forget to get your audit in before the end of the year.

Remember, that I am here to assist you and if you have any questions, please let me know.

Motion made by Marine Brown to accept the Paymaster's Report as read, subject to audit, seconded by Marine Leith and approved unanimously.

Cmdt. Ebright informed attendees that we will be sending our books to an accounting firm for audit because of the additional accounts needed for the convention and concert series.

REPORT OF ELECTED OFFICERS

SW DIVISION VICE COMMANDANT HOERY: No Report

COMMANDANT EBRIGHT: Noted how much we've accomplished: Temporary membership cards; Guidebooks rolled out in March. Doing extremely well, as evidenced by the number of attendees present. He recommended that no effort be made to submit someone for a gold award to National since they will not provide the requested awards.

SR. VICE CONSTANCIA: No Report

JR. VICE CONNELL: Since the conclusion of the Spring Conference, I have been working closely with the Department Commandant and the Paymaster, as well as other members of the Old Breed Detachment, to start a new Detachment in Fountain Hills, Arizona. The driving force behind this new upstart Detachment is a Life Member of the Marine Corps League, Herb Spohr, who lives in Scottsdale and plays a very active role in League activities when he can due to health concerns. He also is a very active member of the American Legion Post in Fountain Hills and has been working extensively behind the scenes to start up a new Marine Corps League Detachment. He was being stonewalled by the leadership of the American Legion Post, and unfortunately, ran into roadblocks from this League in the past. With the active support of our Commandant, we have met on a few occasions with the principle players in this formation and are well on the way to getting a charter approved. At last count, this new Detachment has recruited 26 new members, additional Associate Members and have their Officers all selected. They plan on meeting at the American Legion Hall on the second Saturday of each month for informal meetings until the granting of the Charter from National. At that time, the Commandant and his chosen Officers will make themselves available to formally install the Officers and finally bring to fruition the creation of a new Detachment that has been in the works now for almost four years.

JUDGE ADVOCATE RODRIGUEZ: Expressed his appreciation for the support he's received during his tour as Judge Advocate. He especially appreciated the good job the Detachments have done handling their own problems in-house.

REPORT OF APPOINTED OFFICERS

VAVS (Marine Crawford): As of Jun 09, 2016, Prescott has reported 954 hours through the end of May. Phoenix has reported 8,528 hours through the end of May. Tucson has reported 883 hours through the end of May, for a total of 10,365 hours for the Department of Arizona. Good work Marines, FMF Corpsmen and Associates. Our numbers are forwarded to the National Rep who determines what awards each State and Detachment might be eligible for. Let us keep up the good work that we do and remember that we exist as an organization to further the ideals of the Corps, that we help our fellow Marines and all veterans.

There are still a lot of hours that are not being counted. Marine Carper has a form for Tucson's hours to be added to. Prescott – Doc Spencer is the contact. Marine Crawford is the contact for Phoenix. Anything you do to directly help a veteran counts towards volunteer hours. Currently we have less hours than last year. Still time to get hours in. It was the Commandant's hope that we would volunteer enough hours for a number one ranking this year.

MARINES HELPING MARINES/AZ MARINES ASSISTING MARINES (Marine Dellacort): The year was very positive. Donations to Marine Helping Marines are down, but donations to Arizona Marines Assisting Marines are up.

Donations to Marines Helping Marines were Copper State \$185, Sedona \$2100 and White Tank Mountain \$1000 for a total of \$3285.

Arizona Marines Assisting Marines fared better. Copper State \$500, Green Valley \$500, San Francisco Peaks \$2000, Sedona Detachment \$2325, (\$325 came from individuals. One from a member of the spa I work out at. My Dermatologist makes a donation each year.) Misc. \$1200 (repayment of loan), Anonymous \$100 (donation from person who received donation from AZMAM) various \$1750. This is leftover donations to Amy Hinson from various Detachments. Total donations of \$8575.

The total for both programs was \$11660. A little birdie told me more donations would be made at this meeting. I will be happy to revise the totals.

During the year we made donations to twelve (12) different Marines who were in need. We donated as little as \$117 for an auto repair to \$1000 for a mortgage payment. Total donations of \$8426.37 were made for the year. The balance in the account is \$15704.94. All donations were carefully considered as to need and worthiness. We do not give your money away willy nilly, but we do want to help all that we can.

On March 20th, I received an email from Mike Roy. He wrote about a problem a retired M/Sgt and his Gy/Sgt wife were having. The M/Sgt had been in a bad accident and was in rehab in Phoenix. She was stationed at Miramar. She had requested and received a transfer to Luke AFB.

The Corps would not pay for her moving and she had to find a rental for herself and kids. The total involved was \$6400. None of our Detachments or AzMAM could help on their own.

This is when it makes you proud, in a matter of days we got donations from Copper State, Thumb Butte Pound, Sedona, East Valley Marines, Ira Hayes, AZ MAM, White Tank Mountain, Old Breed Detachment and Sandra and James Watson. Donations totaled \$3750.

We found Amy needed \$2000 and we donated it to her. The balance was given to AZMAM.

Special thanks to Mike Roy and Pat Connell who traveled to Miramar with a van and moved small items to Phoenix. Special Thanks to Gerry Schaller who met with Amy and saw to her needs. Thanks to Mike Bellard and to all the people who stepped up to help a fellow Marine.

I had been thinking about giving up my jobs with these two Charities, but after the Amy Hinson affair and way people cared I have reconsidered. Mike Bellard and I work together so well. We always are on the same wave length with every case. If the new Commandant wants me to stay, I am willing to do so.

The following Detachments donated funds to the MHM/AMAM:

Lake Havasu - \$1,000

Copper State - \$1,000; will be mailed

Old Breed - \$2,000

Cmdt. Ebright commended Marine Dellacort and AM Bellard for the excellent job they do running this program.

YOUNG MARINES (Marine Alger, Jr.): The Young Marines of the Grand Canyon Regiment are doing extremely well. Remember that you should visit your local Young Marine Unit to see first-hand what these dedicated Young Marines and Registered Adults are doing and support them in their efforts. The Young Marines love to see you and hear your stories. These Young Marines are the future of our country and we need to recognize the efforts of your Young Marines who are making a real difference in their local communities and in the State of Arizona.

Your Young Marines are working hard and have not only logged over **5,572.5** hours of community service since the Spring Staff Meeting. Out of those hours over 1000 hours qualify for the MCL VAVS hours and they have added those hours to our report and added over \$10,000 to the VA budgets in the state of AZ. Your Young Marines are continuing to earn local, state, division, and National awards. Your Young Marines have also spent countless hours developing their DDR presentations and have spent 669.5 hours in DDR training.

The East Valley Young Marines were named the YM Division 6 Unit of the year and also came in Second for the Division Kiki Camarena Award that was awarded by the DEA. Rick Schmidt was named the YM Division 6 Registered Adult of the Year.

In March they participated in Brass Pickup for Cowboy Action Shooters; assisted Calvary Community Church and Calvary Chapel with several events; assisted Charlie's Farm with special event; assisted American Legion Post 19 with several events; Clean up Jack Hardy Park; assisted the Military Mom's Golf Tournament; presented colors at the Arizona Coyotes game; Painted over graffiti at the Boys and Girls Club; Helped a Veteran Pack and Move; Raking and Bagging Pine Needles at disabled veterans property.

In April they participated in Brass Pickup for Cowboy Action Shooters, assisted Congressmen Schweikert and Salmon and Senator Flake with the Service Academies Briefing; did the Color Guard for the El Dorado High School Graduation; did the Color Guard at Mesa High School ceremony; assisted the VFW Post 3632 with their installation dinner; assisted the Tempe Elks Lodge with their installation dinner; assisted Calvary Community Church and Calvary Chapel with several events; did the Color Guard for Albertsons/Safeway grand opening; assisted the Phoenix Veterans Heritage Project; assisted American Legion Post 19 with their Family Night; clean up Little League Ball Park; assisted the Community of Prescott Valley and the Prescott Valley Lions Club with event; Color Guard for Concerned Veterans of America event Phoenix; Trash Pick-Up for the U.S.Forest Service; clean up Camp Tatiye for Lions Club International; assisted with the Youth Game and Fish Youth Expo.

In May they participated in Brass Pickup for Cowboy Action Shooters, had 23 Registered Adults attend the Adult Leaders Conference in Las Vegas Nevada for some quality training; did the Color Guard for Arizona Christian University, Harvest Prep Academy, Graduation Ceremonies; assisted the RUN FOR THE WALL MOTORCYCLE RIDE go through AZ; participated in the Armed Forces Day Parade and took First Place overall; placed Flags on all the veterans Graves at the City of Mesa Cemetery; participated in 6 Memorial Day Ceremonies a crossed the state; participated in the Veteran Memorial at Desert Lawn Cemetery Flags & White Crosses; participated in the City of Yuma / Veteran Services Memorial Day ceremony; served dinner at USO show to honor veterans; Color Guard at the Sharlott Hall Museum; Placement of flags at VA National Cemetery; Clean Up at the Pinetop Fire Department; Assisted Special needs individuals with fishing day; Color Guard for Awards Ceremony at Blue Ridge High School; Place Flags and Flowers on Veterans Graves Snowflake Cemetery; assisted Pinetop Lions Club with several events; assisted Hospice Health Care Cleaning out house of veteran.

As you can see **YOUR Young Marines are very busy** and are making a difference in our communities. Also besides the list of events above they have participated in they have also worked with many other organizations and veterans groups and I am sure that I have missed some events that they have done but this gives you an idea of how busy your Young Marines are making a difference in the community. Visit your local Young Marine Unit and support these youth as they are the future of our country!!! There have been two units that have closed their doors. This is due to lack of Adults wanting to make the time to make a difference in the lives of our future leaders. Please if you would like to volunteer time and really make a difference in our communities please contact your local Unit and get involved. If you do not have a unit in your area and you would like to start one please contact me and I will assist you in getting a unit started in your area.

CHAPLAIN (Marine Alger, Jr.): We have all but three detachments (Dean Reiter, Southwest Valley, and Territorial) that have Chaplains assigned. Every detachment Commandant should be looking for a member to serve as chaplain. Detachment Chaplains that do not have a Chaplain assigned please let me know how I can assist in helping you find a member to serve in this position.

This billet is one that will assist in making the Detachment a **HOME** to our families. The Chaplain should be making visits, sending cards and flowers as needed and assisting our families both in their time of need and in times of celebration. I have sent all the Chaplains and Detachment Commandants a Dropbox link with all the material that I use for my turnover folder. I recommend that each detachment have a turnover folder made for their Chaplain as this will ensure that as Chaplains come and go each will have all the tools necessary to do their job effectively.

The Death Notices are an issue that has gotten better but I am still receiving late notices and notices that are filled out incompletely. Please, make sure that all notices have **all the required information and please add a note if the Marine was a DEVIL DOG**. I would appreciate it if each notice would include a note like this:

Molly Marine was a DD or Jody Jarhead was not a DD

This will help me as I assist MODD (Military Order of the Devil Dogs) Pack (Department) Dog Trainer (Chaplain) with his job and take care of our members and their families as they should be.

National is in the process of redesigning the Get Well and Sympathy cards but they do have Blank cards with the Marine Corps Eagle, Globe, and Anchor on it available for \$9 for 10 cards. The code for these is SR02 if you want to order them.

Remember that you also should notify me not just when members pass away but also if they are sick or in the hospital as I can send cards, call, or maybe otherwise help your members.

Cmndt. Ebright commented on how much life and importance Chaplain Alger, Jr. has brought to his position. He has done an excellent job!

SCHOLARSHIP (Cmndt. Ebright): He is VERY disappointed this year; only received one application. Several reminders were sent. Every detachment has been reminded to forward their nominees for Department consideration.

VIET NAM VETERANS (Marine Delsi): He has received some support recently that has been very motivating to him. He's also assisting a disabled veteran to get the 100% disability he deserves.

OLD BUSINESS

Department Support for SW Division (Cmndt. Ebright): **Marine Connell made a motion for the
Department to donate \$10 per Detachment to the Division, seconded.** Discussion: Funds will come
from the transfer approved at the spring staff conference. If mandatory, does the National JA have to

approve first? Since it is only for the Southwest Division, it should not require National approval.

Motion approved unanimously.

- ↳ Osprey Memorial (Marine Paquette): Town of Marana is still trying to finalize their budget for the memorial for things such as handicap accessibility, retaining wall, etc. Nighthawk 72 has some funds set aside for the project. There are two memorials at the airport, one at the crash site and one in the front of the airport. The memorial will be called Nighthawk 72. More details will be available at the fall conference. Any donations will be set aside until Marana makes their decision.
- ↳ ADC Appointments (Cmndt. Ebright): Marine Constancia is taking three detachments in the South, leaving Marine Carper to cover the other three. In Flagstaff, we are looking for someone to cover Flagstaff and Kingman. Marine Lott will cover the new Detachment in Fountain Hills.

NEW BUSINESS

WEBSITE – GoDaddy is no longer going to support our website in its current format. We need to upgrade to Version 7 within four months. It will cost \$400 to update it. **A motion was made by Marine Sekardi, seconded by Marine Alger, Jr. to spend \$400 to allow GoDaddy to upgrade the Department website; motion passed unanimously.**

Marine Broderick spoke about the need to have someone back up the Webmaster so the website can be kept up-to-date when he is not available. Marine Flanagan volunteered to be the Assistant Webmaster.

Marine Monte McConnell (Sedona): Collect can tabs for him for Ronald McDonald house. He provided information on “Thank You for Your Service”, a documentary about three veterans back from Iraq and Afghanistan. It details their efforts to get needed mental health and medical services. The documentary details efforts to establish a mental health behavior services corps in the DOD to get veterans the services they need.

Navajo Code Talker (Josie Delsi): August 14th is Navajo Code Talker Day. The original 29 are deceased. Descendants will be hosting a memorial in Window Rock on August 14th. Requested a donation from the Department for attendee’s expenses.

Ad for National Convention (AM Bellard): **Motion made by Marine Reese; to buy a full page ad in the National Convention Program book; seconded. Passed Unanimously.**

Cmndt. Ebright received a letter from Alfred Jimenez in May who is joining the Old Breed Detachment. He belongs to an organization that sends young people back to Quantico for 1-2 weeks of leadership school. Once they are at Quantico, all expenses are paid. **Motion made by Marine Sekardi for the Department to donate \$600 to help send three Arizona youths to Quantico for leadership school; seconded by Marine John for the Department to donate \$600 to help send three to Quantico for leadership school.**

*****Detachments are asked to come up with another \$600 to assist.*****
